French Breakfast and Dinner

COFFEE. WING to the very high price of Coffee, and the great difficulty in procuring a good, uniform and reliable article our customers have often expressed a wish that they could be supplied from first hands. It was the intention of

THE GREAT AMERICAN TEA CO. to do a strictly Tea business, but as we have had some customers living at a distance that have relied upon us to supply their exclusively with Toa and Coffee, it being inconvenient for them to come to New York, The Great Tea and Coprin Em to New York. The Country—and as our Tea Taster was possessed of intermation relating to a coffee that could be firmished at a moderte price, and give universal satisfact in and at the same time afford the retailers hand-one profit—we have been compelled to supply these parties. THIS COFcompelled to supply those parties. THIS COF-FEE HAS RECOME OPEPULAR with our cus-tomers and their sales have increased to such an extent that we have been compelled to make harge additions to our machinery, which will enable us to supply a few more customers with it. We will therefore sand it to have the town residents therefore send it to those who may order.

It is Fast Superseding all other Coffees This coffee has been used for more than a century in Paris, and since its introduction into this country it has been in and by some of the leading Freech Restaurants bere. The Parisians are said to be the nest judges of coffee; and the great favor in which it is held by them as the best recommendation that can be product too its fine flavor and healthy effects upon the human system.

We put up but one grade of this coffee, and that is of a quality that our customers have found from

or it quarity that our customers have found from experiones will give perfect satisfaction and meet all the domands of their trade. It is the lowest price that we can recommend.

We do all our business on the most extensive seals, buy by the earge and sell at only two cents secile, buy by the eargo and sell at only two cents per pound profit.

We put up this coffee in Barrels only, of 125 pounds each. This method of putting it up saves from 2 to 5 cents per pound to the consumer, and by its being in a large quantity it retains its fine flavor much longer in this form than in any other. We send with each barrel show eards, circulars and posters, to assist the dealer to introduce it to his sustomers. We knope corrects owners will take pains to have them well posted up and distributed, as it will be to their advantage to do so.

This coffee we warrant to give perfect satisfaction, and if it does not pleage, the purchaser has the privilege of returning the whole or any part of it within 60 days, and having his money refunded together with all the expenses of transportation both ways. er pound profit

SELF-ADJUSTING AND ADJUSTABLE! The only Wringer with the Patent COG WHEEL REGULATOR, which positively prevents the rolls

Breaking or Twisting on the Shaft. Without cog wheels, the whole strain of forcing the cloth through the machine is put upon the lower roll, causing three times as much strain upon the lower roll as when tog wheels with our Patent Regulator are used, besides the extra strain upon the cloth.

In reply to the question, "How Long will it Last?" we can only say, "As long as a wash tub, cooking store, or any other family utensil." See testificony of Grange Judd, of the American Agriculturalist, No. 41 Park Row, N. Y., who says of the

UNIVERSAL CLOTHES WRINGER. "We think the machine much more than pays for itself every year in the saving of garment! We consider it important that the Wringer be fitted with Cogs, otherwise a mass of garments may clog the rollers, and the rollers upon the crankshaft slip and tear the clothes, or the rudder break loose the shaft. Our own is one of the first made, and it is a mod if we feel after pearly deep reserved.

and it is as good as new after nearly four years constant use." IT SAVES TIME, LABOR, CLOTHES AND MONEY.

It is easily and firmly secured to the tub or rashing machine, and will fit tubs of any size or
