There ! That is not a bad vote for GLOSS BRENNER to receive out of three companies that "unanimously nominated JOSEPH BAILY for Congress.". GLoss must have been electioneering among the boys of the Perry companies, or, what is perhaps more probable, BAILY attempted to palm off a great fraud upon the people when he told them that all the soldiers of Perry were for him.

more than probable that SHERMAN will be made Secretary of War. We are well satisfied, therefore, to have GRANT, SHERMAN, and SHERIDEN selected as our peace commissioners.
