GEN. SHERIDAN'S OWN REPORT.

CEDAR CREEK, October 19th 10 p. m. Lieut.-General GRANT, City Point:-I have the honor to report that my army at Cedar Creek was attacked this A. M., before daylight, and my left was turned and driven in confusion with the loss of twenty pieces of artillery. I hastened from Winchester, where I was on my return from Washington, and found the two armies between Middletown and Newton having been driven back about four miles. I here took the matter in hand and quickly united the corps, formed a compact line of battle just in time to repulse an at-tack of the enemy, which was handsomely done at about I P M.

At 3 P. M., after some changes of the cavalry from the left to the right flank, I attack ed, with great vigor, driving and routing the enemy, capturing, according to the last report, forty-three pieces of artillery and very many prisoners. I do not yet know the number of my casualties, or loss of the enemy. Wagons, horses, ambulances and cass in large numbers are in our possession. They also burned some of the trains.

Gen. Ramseur is a prisoner in our hands,

severely and perhaps mortally wounded.
