NEW PHOTOGRAPH AND

Ambrotype Gallery.

We, the undersigned, respectfully inform our friends and the public generally, that we have opened a

New Sky-Light

PICTURE GALLERY

In the new second story over the frame buildings located a few doors south of the Post Office; and nearly opposite A. W. Bentz's store, South Hanover street. We have constructed this Gallery according to our taste, and flatter ourselves in saying we have far the best arranged light in town. To aged, infirm and delicate persons, we will say this Gallery is much easier of access than any in this place, being located on the second story, and the story beneath being low, there is not such a tower of steps to ascend.

Having procured the assistance of an experienced operator, and purchased the best and latest improved apparatus, we are prepared to produce pictures equal to any other establishment, not excelled by New York or Philadelphia. Such as

Extra Whole Size Photographs,
Cartes De Visite,
Ambrotypes and Ferrotypes.

PICTURES INSERTED IN LOCKETS,

Rings, and Pins, and copied or enlarged from old Daguerreotypes, Ambrotypes, &c., &c. Also, for sale a fine lot of Pictures, Frames and Albums.

We hope, by a strict attention to business and a desire to please, to receive our share of the public patronage. Do not forget the place, a few doors south of the Post Office, South Hanover Street.
