THE rebellion is now over, and we are again restored to our peaceful avocations, we cannot better mark (Lis era than by making preparations to return to the accustomed FALL EXHIBITION of our Society, and that we may have the most extensive, the best and most interesting that we have ever had, let us begin to prepare for it now. The season is most propious and promising of fruitful results—and our appetites for the enjoyment of such an exhibition as we will have—have been sharpened by the disappointments of the last three years.

We, the undersigned, respectfully inform our riends and the public generally, that we have

pened a New Sky-Light PICTURE GALLERY In the new second story over the frame building ocuted a few doors south of the Post Office, and early opposite A. W. Bentz's store, South Hano-ver street. We have constructed this Gallery ac-cording to our taste, and flatter ourselves in saying we have far the best arranged light in town.
To aged, infirm and delicatr persons, we will say
this Gallery is much easier of access than any in
this place, being located on the second story, and
the story beneath being iow, there is not such a
tower of steps to ascend.

Extra Whole Size Photographs. Cartes De Visite, Ambrotypes and Ferrotypes.

PICTURES INSERTED IN LOCKETS. Rings, and Pins, and copied or enlarged from old Daguerrotypes, Ambrotypes, &c., &c. Also, for ale a fine lot of Picture Frames and Albums.—
Ve hope, by a strict attention to business and a desire to please, to receive our share of the patronage. Do not forget the place, a few doors south of the Post Office, South Hanover Street.

The circulation of the Philadelphia Aas, which is steadily and rapidly growing, makes it at least as valuable a medium for advertising as any other commercial and business newspaper in Philadelphia; and the fact that it reaches a large class of conservative readers, scattered over a vast extent of country, who do not take any other Philidel-phia paper, commends it, to an extraordinary de-gree, as a means of communicating with the pub-lic not possessed by any other journal published

all their columns with the unsought and most liberal commennations of the press throughout the country; but they prefer that it should stand altogether upon claims to public confidence well-known and established. It will be, as heretofore, the supporter of true National, Corservative, Democratic, Union principles, opposed alike to radicalism and funations in every form, and devoted to the maintenance of Good Government, Law and Order. The revival of all business relations of the country, consequent upon the suppression of the Carpets, oil cloths, &c.

These goods have all been selected expressly for this murket, with great care both to their quality and styles, as well as to a reasonable price at which they can and will be disposed of.

CARLISLE FOUNDRY

GARDNER & CO. now manufacture and keep constantly FOR SALE, at their extensive Steam Works on East Main st., Carlisle, a large assortment of Agricultural Implements, of well known and approved usefulness to Farmers, among which they would call especial attention to

WILLOUGHBY'S CELEBRATED Patent Gum Spring Grain Drill, which has taken over fifty first class promiums at State and County Fairs. To the farmers of Cumberland, York and Per recunties we need not speak in detail of the merits of his drill, as scores of them are now in use on the best farms in these gounties. Its reputation is establiched as the most complete grain drill now manufabtured in the United States It sows Wheat, Rye, Oats Barley and Grass, evenly and regular, without bunching the seed. The gun springs pass the drill over stumps and stones, without breaking pins or the drill. For even and regular sowing, the Willoughby Gum Spring Drill is unequalled by any other. We also manufacture and sell the following articles, which we can recommend to farmers as reliable implements of established character: haracter:
