THE WEEKLY PATRIOT AND UNION. As the Central organ of the Democratic party the Weekly PATRIOT AND UNION has acquired a large and more diffused circulation this any oth or Democratic journal in the State. It has here-tofore occupied an influential position as an able and thdustrious worker in the cause of Democra-ry, and its friends say that it still continues to be a valuable organ of the party. It is not for us, however, to puff our own work. If we have been faithful to the cause of the party and the country, we hope every Democrat will make it an object te toxtond our field of operations, by adding to our list of subscribers. The low price of the Weekly, in comparison with the amount of matter furnish-ed, makes it one of the cheapest of newspapers.— We hope every good Democrat why reads this will send his name and \$2 50 for a copy for one year. If this is too much for these who are very poor; let all such send us fifty cents each, and receive the Weekly PATRIOT AND UNIOR for the samplagen.
