"Proclaim the Immutable Principles of Democracy Throughout the Land."

THE WEEKLY

PATRIOT AND UNION

For the Campaign of 1865.

The political campaign just opening in Pennsylvania is destined to be one of great importance, and to have a powerful influence upon the future of the country at large. In a great measure it will determine the gubernatorial contest of 1866, and have an influence upon the presidential election two years thereafter. But, more important, it will probably determine the choice of the next U. S. Senator from this State, and thus affect the legislation of Congress and the restoration of peace to all the land. It is therefore, of vital importance that every exertion should be made by every member of our party to secure the victory. Not only should every local organization be put to work, but every honorable means should be adopted to stir up the apathetic and lukewarm, and to make new votes by conversion. It can only be through the immutable and golden principles of Democracy that the country can be redeemed from the thraldom of fanaticism, degradation and taxation. Outside the Democracy there are no principles. The rule of action of the opposition is ever changing—one thing to-day—something else to-morrow. It is held together merely by expedients—the latest and most outrageous of all being the modern, six-months political trick of negro suffrage. To defeat this, and all other schemes of the Abolition shoddy hordes who live on, to plunder and tyrannize, let every Democrat arouse and gird on the rusty armor of his fathers in Democracy—of Washington, of Jefferson, of Jackson; and march to battle and to victory!

THE WEEKLY PATRIOT AND UNION.

As the Central organ of the Democratic party the Weekly PATRIOT AND UNION has acquired a large and more diffused circulation than any other Democratic journal in the State. It has heretofore occupied an influential position as an able and industrious worker in the cause of Democracy, and its friends say that it still continues to be a valuable organ of the party. It is not for us, however, to puff our own work. If we have been faithful to the cause of the party and the country, we hope every Democrat will make it an object to extend our field of operations, by adding to our list of subscribers. The low price of the Weekly, in comparison with the amount of matter furnished, makes it one of the cheapest of newspapers.—We hope every good Democrat who reads this will send his name and $2 50 for a copy for one year. If this is too much for those who are very poor, let all such send us fifty cents each, and receive the Weekly PATRIOT AND UNION for the campaign. The following are the terms:

TERMS PER YEAR.

Single copies, per annum	$2 50
" six months	1 50
Clubs of ten or more to one address	2 00

DURING THE CAMPAIGN.

Single copies	50 cts.
Clubs of ten or more to one address	40 cts.

All orders should be addressed to the
