THE WORLD,

An Independent Democratic Daily, Weekly and Semi-Weekly Newspaper.

AFTER four years of civil war, forced upon the people of the United States by the violence of the sectional parties, we now enter upon a new era of unity and progress. North and South, a cordial cooperation of all honest men is needed to repair the waste of war, to establish our Peace through the triumph of sound constitutional principles in the administration of the Government and our Unity by guarding all that makes Union desirable.

The great Democratic Party, whose history in the past is the history of private prosperity, of territorial extension, and of public order in America, stands now, as it has ever stood, the party of the Nation, superior to all sectional passions in its loyalty to the right of co-equal States and to the liberties of the individual citizen. Once more its voice will be heard, once more its adherents will be rallied to its time honored standards in every city and town of the Northern and of the Southern States.

To the principles of this great Democratic Party of the Nation *The World* has borne firm witness throughout the ordeal of civil war. It will now be devoted to the not less arduous task of applying those principles to the solution of the many and weighty questions—financial, social, political—which come upon us with the return of peace.—Faithful to the real interests of all sections, it will be enslaved by the prejudices and blinded by the prepossessions of none.

That the principles of American Democracy should thus be uttered, with no weak and uncertain voice, here in the great metropolitan centre of American enterprise and commerce, is a matter of such importance to every citizen as must recommend *The World* to the cooperation and support of good men in all sections of the Union.

Whatever skill can devise or enterprise accomplish, will contribute to make *The World* what it is our resolve that it shall continue to be—the best Newspaper of the Day.

EDITIONS.

The *Daily World* affords a complete compendium of, and commentary upon, the news of every day.

The *Semi-Weekly World* is a large quarto sheet, same size as daily, containing all its news, correspondence, editorials, commercial and market news, cattle market and provision reports, and a fresh and entertaining miscellany of literature.—Published Tuesday and Friday.

The *Weekly World*, a large quarto sheet, same size as daily, has now the largest circulation of any weekly journal published, save one. Its extraordinary success since its union with the New York *Argus* has justified the most liberal expenditures, which will make it unrivalled in interest and value to farmers. Published Wednesday.

1. Its Market Reports embrace the New York, Albany, Brighton and Cambridge Live Stock Markets; the New York Country Produce and General Produce Markets; special and valuable Hop Intelligence, a department of Agricultural Reading; altogether composing an unrivalled handbook of current information for the Farmer, Live Stock or Produce Dealer, the Country Merchant, etc.

2. Its reading for the Family Circle embrace the freshest and best Stories, Poetry, Religious Reading, etc.

3. Its Digest of the News, is not, like most city weeklies, a mere waste basket of the Daily; only matters of interest and importance are chosen from the Daily, while the mass of its contents are prepared especially for the Weekly.

In every post office district there should be found some active, public spirited Democrat who will confer a benefit upon us, his neighbors, and the cause, by making a determined effort to form a club of four, ten, twenty, or fifty for the Weekly World, at our greatly reduced rates.
