w Hose.—The Union Fire Company place recently purchased several lred feet of hose from Saml. G. Greer, hiladelphia; and on Saturday afterlast, the company tested the quality eir purchase, on the Square. The were subjected to the strongest presbut stood the test admirably. There e peculiarity about these hose, which ald be well for firemen everywhere otice. They are supplied with "Jones' nt coupling," by which the sections readily united by a spring. This imement has been in use in Philadelfor five or six years, and the coupis said to be more durable than the erew coupling, as well as more conent, and has received the endorset of the chief engineer of the Phila-

delphia fire department. the "Union," threw three streams over Court House steeple, which is pretty had to beat. In fact we heard one youngte remark that it was "the best scutin" ver seen."

DEAD HEADS,-It has become cusomary for many persons, societies, comitees, etc., to expect the printer to work nothing. We want all such people inctly to understand that we publish ewspaper as a business and not for asement. We wish to inform all who have the cheek to ask us to work for thing, that just as soon as we can get mer, and ink, and type for nothingas soon as the hands are willing to rk for us for nothing—just as soon as nerchant, the grocery man, the butchnd all other tradesmen are willing to nish us their goods for nothing-then shall think of doing business upon same principle. But until then, we nd to be paid for all we do in the line
