(COMMUNICATED.) (constructed) For the Volunteer. Massins, Epitrons.—Omitting all that C. says of the state of the controversy between him and M. M. I begin with what is positive in his com-munication. He asks "does Hebr. VI, 2, refer to command on " That is for him to shew as he is the one who asserts that it does; and 1 should not be expected to prove a negative. To help him bodyer, I grant that it refers to "laying on of Ardo" but that is not very clearly confirmation. Of the thates on overy clearly confirmation. Of the that is not very clearly confirmed to heading of disenses, three to the conferring of the charteen other instances in which that act inferred to in the New Testament, six refer to the calling of disenses, three to the conferring of the charted posters, the holy Ghost to those made and y possessed his ordinary influences, and our to orspect, he knows that no trace of a common to respect, he knows that no trace of a common separate from baptism and beyond has rovince of a common presbyter can be found and the state on the state in the churches" in the soft second the the Greek, the Ameri-and the state of the word but is "consuma-tion," "In a completion of baptism, and then it was have not as confirmation but is "consuma-tion the Chaidean or the Ethiopian churches, manned in one present in the charden and have been recognized. In the three, charter is the chardean or the Ethiopian churches, manned in any Part of the word is the consuma-tion the chardean or the Ethiopian churches, manned in any Part of the word is the state and the chardean or the the state of the applica-tion of the primitive churches of Britain and influences, man of the primitive churches to that appelia-tive the recognized. All of these of the tage, show For the Volunteer pince in any Protestant Churrel except the most the Episcopal enurches to that appelia-ble recognized. All of these churches, now-r, have introduced an ordinance which has etimes been called confirmation, in which-tised persons are publicity received into the muniton of the church with the imposition of hands of their pastor. And it is an instance allogenousness which I hardiy know how to bache with honesty, when i find t, appealing the Scriptuaes to chaim to the Reformers and alload confirmation, when he must know, if y were not alluding to confirmation in his 9 of the word. How could an intelligent and teless writer say without "mental reserva-"," that "we have confirmation to he of devine of the server of the server in the the server of the word, how could an intelligent and teless writer say without "mental reservathe of the word. How could an inteningent and deless writer say without "mental reserva-"that "we have confirmation (in his sense be word,) as much proven to be of devine ob-tion as the observance of the Lord's day." In feat for this " abortive sacriment," this minn-of a minactious usage is he willing to bring in the precious sabbaan to his own precarious stion? As to "the views of the 'techriners." Thich he refers us, it is evident that he mas no to any but those of the English church, and pose that Cranmer would besome authority aim. To the King's question "whether con-tation be instituted by Christ's that prelate bound of "there is no place in Scripture that arent this sacrament to be instituted by this, first, because the places alleged for the endod." There is no place in Scripture that arent this sacrament to be instituted by this, first, because the places alleged for the endod with these acts were done by a magift given to the apostles for the confr-sense of do's word at that three. Thirdy, the essate of the angestes." We have a respect the inters, for the true church, for the refor-s, and for the "lights of the nineteenth can-ther they advantage over the fath-it's because we are the church for the refor-s, and for the "lights of the nineteenth can-her day was in its infancy. On questions of intive usage their authority is often decisive. It the that maturity of a churca winch and power, but we should be unworking of land power, but we should be unworking of land power, but we should be unworking of inderstance they have the privilege of going to Jountain. The Reformers were men digood ind power, but we should be unworking of intertue and the apostles in casting off the ers of superstition and prejudice winch en-assed them. As to the "new lights of the eteenth century" their greatest merit consists effecting al that is not light, and in conduct-base to the eternal source of light in the . Our friend U, would not be much injured i dudictors use of it. May Second in the source of light in the April with its storms has pass'd away, And now has come the lovely May, Winter, yes, grim winter, is no more, And mother earth looks as of yore; Birds, too, have come again, And sing with voices most serene, Changes now are all they go, And man changes, too, we know; Aside is laid the Overcoat, And with a fine greenback note, He buys summer sults for great and small, At the Store of Julius Neuwahl, een Drs. Kieffer and Zitzer, North Hanove et, Carlisle, who has just returned from the

with a large Spring and Summer stock of n's and boys' Clothing, which he offers at ly reduced prices. Give him a call. Lay 10, 1866-3t. JULIUS NEUWAHL, OUR friend W. C. Sawyer, has again ried for New York and Philadelphia to purwill be hailed with delight by the admirers

full stock of seasonable goods, Call and see grand opening.
