CAMPAIGN OF THE ARMY OF THE POTOMAC.—By William Swinton.—The Standard History of the Grand Army. The greatest Work on the War. Universally endorsed by army officers and the press. The Author says: "I design in this volume to record what that Army did and suffered in ten campaigns and two score battles," "I shall have to celebrate the unswerving loyalty of this army, that oftimes when the bond of military cohesion failed, held it, unshaken of fortune, to a duty self-imposed." "I shall have to follow it through a checkered experience, in a tale commingled of great misfortunes, great follies and great glories; but from first to last it will appear that, amid many buffets of fortune, through "winter and rough weather," the Army of the Potomac never gave up, but made a good flatt, and finally reached the goal." The "Army and Navy Journal" says: "This is the only American critical work on the late war, and it is thoroughly critical and entirely divested of all political hue or tone." This is the only History of the "Grand Army," and no one who has borne a part in its conflicts, or is interested in its grand achievements, should be without it. This work sells itself. The people are tired of political and partisan histories, and want something from official sources. We have Agents clearing over \$200 per month. Send for circulars, and see our terms and proof of the above assertion. Address, NATIONAL PUBLISHING CO., 507 Minor St., Philadelphia, Pa. Sept. 27, 1866—14\*
