THE "COPPERHEAD" DOCUMENT.

Last week we alluded to the fact that one of our rural Republican friends had denounced the Declaration of Independence as a "Copperhead Speech"...

NO DISCRIMINATION ON ACCOUNT OF RACE OR COLOR.

To read the proceedings of the present mob at Washington, calling itself Congress, almost any one would be led to believe that the only object of the mob was to obstruct the proceedings of the Congress.

It is a fair supposition of the daily proceedings of the Rump Senate, that no discrimination on account of race or color, will be the watch-words of the conspirators.

Austria has lately granted a general amnesty to all political offenders, including Kosuth. This, from a despotic government, sounds strange when we view this free nation, etc.
