INTERESTING INCIDENT.—We clip the following from a late number of the Harrisburg Telegraph. It is in itself and in- by Gen. G. W. Bowman, is offered at teresting incident, and is so characteristic of the generous qualities of our friend Esquire Mullen, that we give it a place reading the article to Mr. Mullen, and we don't believe it made him regret a bit that he had sold George Bergner paper

"on tick." Here is the incident: "Horace Greeley in his Ledger 'recollections,' speaking of the time he commenced the printing business, says: 'I tried Mr. James Conner, the extensive type founder, in Ann Street, but he, after hearing me patiently, decided not to credit me six months for the forty dollars worth of type I wanted, and he did right. My exhibit did not justify my request. I I went directly then to Mr. George Bruce, the older and wealthier founder, in Chambers street, made the same exhibit, the older and wealthier founder, in Chambers street, made the same exhibit and was allowed by him the credit I ask ed; and that sale has since secured to his

ed; and that sale has since secured to his concern the sale of not less than fifty thousand dollars worth of type."

"Similar instances occur almost daily. We remember well when we applied some twenty-five years since to a gentleman named Beckly, then largely engaged in the manufacture of printing paper, to credit us a few bundles of paper at the time for the purpose of publishing a German paper in this city. After considering our propositions, we, (like Mr. Greeley,) were refused. We then made application to Wm. B. Müllen, Esq., still largely engaged in the paper business at largely engaged in the paper business of Mt. Holly, Cumberland county, Pa., tole him our circumstances, and he agreed t hlm our circumstances, and he agreed of furnish us all the paper we wanted on three months' credit. Since our first purchase from Mr. Mullen, now more than twenty-five years since, we have paid him at least one Hundred Thousand Dollars cash, and he is to-day furnishing the largest portion of paper used in ing the largest portion of paper used in the Telegraph office, for which he re-ceives cash on delivery."

HARRISBURG TROTTING PARK.—There was some fine racing at the Harrisburg Trotting Park, last week, in which Dr. Searight's horse, "Scroggins," played a prominent part. The Patriot & Union says: The attendance was quite large and everything passed off satisfactorily. A number of ladies were present. The first match was for a premium of \$100 for the best trotters in harness, best two in three. The following horses were entered: Mr. Keenan's sorrel mare, "Lady Belle;" Mr. Hughes, brown horse, "Johnny Kent;" Dr. George Searight's sorrel horse, "Scroggins." The two first heats were won by the brown horse "Johnny Kent,"-time 2:49, 2:50. The race was very closely contested between Johnny Kent" and "Scroggins," and each heat showed a distance of only a few

lengths between the latter horses. The Patriot & Union of a later date snys: We learn that a trot is to come off soon on the Harrisburg park between Dr. Searight's horse "Scroggins" and Mr. James Hughes' "Johnny Kent," for a purse of one thousand dollars. In the contest between these horses on Thurs day last, "Johnny Kent" won the first two heats by a few lengths. The backers of "Scroggins" bet freely and lost considerable money. The contemplated race is already exciting great interest in sporting circles.

Admitted to Practice.—On Tuesday morning, the 12th inst., John Cornman, Esq., was, on motion of John Hays, Esq. admitted to practice law in the several Courts of this county. His examination extended over a large area, and we have been informed was highly creditable.— His collegiate course, and connection with the office of the Clerk and Recorder for a number of years, no doubt were in his favor in getting a thorough knowledge of the elements of his profession, and in fit-ting him to enter upon it creditably to himself. He has our hearty congratulations upon his admission.

SUDDEN DEATH.—On Saturday morning last, Mrs. Susan H. Thorn, an aged widow lady, residing on the south-west corner of Main and Bedford streets, was found lying dead, at the door of her bedroom. Her face was somewhat bruised, and it is supposed that feeling ill, she had gone to the door of her room to summon some of her household, and fell as she reached it. She was an estimable and kind hearted lady, and by her many works of benevolence had won the esteen of the entire community. Her last remains were interred on Monday aftermoon, in the old graveyard.

SUDDEN DEATH.-Mr. Henry Hippen steel, an aged and highly respected citizen of Souhampton township died very suddenly on Monday last. We learn that he fell dead from his chair while engaged in washing his feet. Mr. Hippen steel, has been long and well known to the people of this county and at his death had attained his 64th year.--- Valley Sen-

PROMPT. - A short time since, Mr. Jno. Parks lost a valuable horse, which he had insured in the Great Western Horse Insurance Company. As soon as the fact was known, the Company authorized the payment of the insurance, and on the 9th inst. Mr. Peffer, Agent of the Company paid him \$180, the amount insured.

BEWARE OF HIM.—An exchange warns the public against a peddler who has been traversing the country offering to sell a splendid paste for brushing silverware, and always asking for silverware to try its merits upon. At several places where he has been, burglarles occurred within a few days, and it is supposed that his pedling is only a pretense to learn who has silverware and where it is kept, so as to give his accomplices knowledge of best places to visit. No doubt the fellow will take this section in his route and we warn our citizens to be on the lookout for him.

Consensation City MEDICINES.—To cure consumption, the system must be prepared so that the lungs will heal. To accomplish this, the liver and stomach must first be cleansed and an appetite created for good vholesome food, which, by these medicines will wholesome food, which, by these medicines whi be digested properly, and good healthy blood made; thus building up the constitution.— Schenck's Mandrake Pills cleanes the stomach of all, billous or muccus accumulations; and, by using the Sea Weed Tonic in connection, the ap-

otite is restored. Sehenck's Pulmonic Syrup is nutritious as well s medical, and, by using the three remedies, all as medical, and, by using the three remedies, all impurities are expolied from the system, and good wholesome blood made, which will repei all disease. If patients will take these medicines according to directions, consumption very frequently in its last stage yields readily to their action. Take the pills frequently, to cleanse the liver and stomach. It does not follow that because the bowels are not costive they are not resulted for sometimes in diarrhead they are necroticed for sometimes in diarrhead they are necquired, for sometimes in diarrhoa they are necessary. The stomach must be kept healthy, and an appetite created to allow the Pulmonia Syrup an appetite created to mine the ruimona syring to act on the respiratory organs properly and allay any irritation. ## Vegetable Sicilian Hair Renewer

Has stood the test of seven years before the public; and no preparation for the hair has yet been discovered that will produce the same beneficial results. It is an entirely new scientific discovery, combining many of the most powerful and restorative agents in the VEGET-ABLE KINGDOM. It restores CREY HAIR TO ITS ORIGINAL YOUTH-FUL COLOR. It makes the scalp white and clean; cures dandruft FUL COLOR. It makes the scalp white and clean; cures dandruff and humors, and falling out of the hair; and will make it grow upon baid heads, except in very aged persons, as it furnishes the nutritive principle by which the hair is nourished and supported. It makes the hair moist, soft, and aloses, and is experimental as glossy, and is unsurpassed as a HAIR DRESSING. It is the

glossy, and is unsurpassed as a HAIR DRESSING. It is the cheapest preparation ever offered to the public, as one bottle will accomplish more and last longer than three bottles of any other preparation.

It is recommended and used by the First Medical Authority.

The Wonderful results produced by our Sicilian Hair Renewer have indiced many to manufacture preparations for the Hair, under various names; and, in order to induce the trade and the public to purchase their compounds, they have resorted to falsehood, by claiming they were former partners, or had some connection with our Mr. Hall, and their preparation was similar to ours. Do not be deceived by them. Furchase the original: it has never yet been equalled. Our Treatise on the Hair, with certificates, sent free by mail. See that each bottle has our private Revenue Stamp over the top of the bottle. All others are imitations.
