ELOCUTIONARY ENTERTAINMENT. Mr. N. B. Crysler, who for several years has been devoting himself to the profession of teaching Elecution in many of the best Colleges and Seminaries in New York, Illinois, Wisconsin and other States, comes here with high recommendations from prominent men where he has been-one from Hon. V. M. Rice. Superintendent of Public Instruction of the State of New York, by whom Mr. C. has been engaged to conduct and give instruction in Teachers' Lustitutes during

the present fall. Mr. Crysler having been giving t course of lessons in Dickinson College and in the Mary Institute for a short time past, where his efforts are very high ly appreciated, now proposes to close his labors here for the present, by giving an entertainment at Rheem's Hall, on Friday evening, November 29, at 7 o'clock. The programme will embrace a good variety of humorous, pathetic and patriotic pieces well calculated to please all; and we trust a large audience will be present to enjoy the treat. Admission only twen-

ty-five cents.
We make a few quotations from the press at various places where Mr. Crysler

has been:

"Prof. Crysler is one of the best Elocutionists of this State; his recitation was rendered in an able manner showing him to be a master of the art."—Syracuse Daily Journal, N. Y.

"The readings of Prof. Crysler at City Hall, on Monday evening, were of the fluest order."—Weekly Democrat, El

Paso, Ill.
"We were highly entertained in listen "We were highly entertained in listening to the lecture and examples given by
Prof. Cryster, the elocutionist, Saturday
evening, in the Assembly Hall, as we
are sure all were who had the good fortune to be present. His readings are
graphic, correct, and show bin to be a
master of the science which he teaches,"

FAIR.-A Fair will be held in this place. during the Christmas holidays, for the benefit of the Soldiers' Monument Association; and we most sincerely trust that it will be better patronized and more remunerative than any fair ever held within the limits of Cumberland county .-The entire county owes it to itself to contribute liberally to the project. There is not a family in the county which cannot give something of value or interest. Thus far our people have taken too little interest in this noble and patriotic enterprise; and now that an opportunity is afforded for every household, every man and woman, every youth and maiden, and every child to contribute their mite. we do trust to see such a response as will well the monument fund to the desired

HARD TO BEAT.-Mr. Wm. G. Peffer has left at our office a turnip larger than an ordinary human head-measuring 22 inches in circumference and weighing five and a half pounds, which was raised on the farm of his father, Adam Peffer, in Dickinson township.

Ex-Sheriff Bowman, of Upper Allen has also presented us with a basket of turnips, one of which weigh 91 lbs. and measures 24½ inches, and also a lot of corn the ears of which average 12} in ches in length.

ENTERED UPON HIS DUTIES .- Joseph C. Thompson, Esq., Sheriff-elect, took possession of the jail and entered upon the duties of his office on Saturday last. Mr. T. we predict, will make an active and efficient officer, enjoying, as he does the respect and confidence of the people of the county. The retiring officer, Ex-Sheriff Jacobs, gained the good opinion of all who transacted official business with him, and carries with him in his retirement the respect of all.

THE LAW .- By reference to our advertising columns it will be seen that our friend Jno. R. Miller, Esq., has opened a law office in this place. Mr. Miller is a young gentleman of education and acquirements, and is possessed of rare business qualifications. His genial and acnodating disposition will doubtless win him hosts of friends, and bring him a lucrative practice. We wish him whole cart loads of success.

A VISITOR .- On Saturday last, our office was honored with a visit from Mr. Payne, the celebrated pedestrian, who is now on a grand tramp across the continent-from New York to San Francisco. nent—from New York to San Francisco.
Much to our regret, both editors were absent. Mr. Payne introduced himself to the foreman, took a glance over the New York World and Forney's Press, and started on his way in good spirits and excellent conditions. cellent condition.

COMING.-The celebrated Peak Family Bell Ringers, with A. J. Whitcomb comedian and vocalist, William Lavake, balladist, Smith Russell, harpist, and J. F. Spaulding, violinist, will give one o their rare entertainments in Rheem's Hall on Monday and Tuesday evenings next-December 2d and 3d. We predict crowded houses for this brilliant and unexceptionable entertainment.

NEW FREIGHT LINE.-Those of our friends who want goods shipped to or from Philadelphia are referred to the advertisement of Messrs. Cornelius & Bosh, in another column. They are energetic and reliable men, and we feel certain their business arrangements will give entire satisfaction to those who may patron-

COLORADO. -We had the pleasure, on Monday evening last, of listening to a lecture on Colorado, by Rev. Daniel Shindler, who has recently returned from that Territory. The Reverend gentleman is considerable of an orator, and bia lecture, besides being interesting and instructive, abounded in passages of rare poetic beauty and true forensic eloquence.

THE JURY COMMISSIONERS.-On Monday, John B. Drawbaugh and George D. Craighead took the oath of office, and entered upon their duties as Jury Commissioners. In connection with his honor Judge Graham, they selected the names of Jurors for the coming year, on Tuesday.

Wair Renewer.

Vegetable Sicilian Hair Renewe

Has stood the test of seven years before the public; and no preparation for the hair has yet been discovered that will produce the same beneficial results. It is an entirely new scientific discovery, combining many of the most yowerful and restorative agents in the VEGET-ABLE KINGDOM. It restores GREY HAIR TO ITS ORIGINAL YOUTH-FUL COLOR. It makes the scalp white and clean; cures dandruff and humors, and falling out of the hair; and will make it grow upon bald heads, except in very aged persons, as it furnishes the nutritive principle by which the hair is nourished and supported. It makes the hair moist, soft, and glossy, and is unsurpassed as a HAIR DRESSING. It is the cheapest preparation ever offered to the public, as one bottle will accomplish more and last longer than three bottles of any other preparation.

It is recommended and used by the First Medical Authority.

The Wonderful results produced by our Scillian Hair Renewer have induced many to manufacture preparations for the Hair, under various names; and, in order to induce the trade and the public to purchase their compounds, they have resorted to falschood, by claiming they were former partners, or had some connection with our Mr. Hall, and their preparation your salmilar to ours, Do not be deceived by them. FORTY MILLION DOLLARS IN MONEY have already been expended by the two powerful companies that have undertaken the enterprise, and there is no lack of thinds for its most vigorous prosecution. When the United States Government found it necessary to secure the construction of the Union Puchle Radrond, the develop and protect its own interests, it gives the Companies authorized to build it such amplication of the Union Puchle Radrond to the Union Puchle Radrond Company, derived from the Government and its own stockholders, may be briefly summed up as follows:

1.—UNITED STATES BONDS 1.—UNITED STATES BONDS having thirty years to run and bearing six per cent, currency interest at the rate solow per mile for sold miles on the Platins; then at the rate of solow per mile for for in the string the flocky Mountains; then at the rate of 882,000 per mile for the remaining distance, for which the United States takes a second lien as security. The interest on these bofus is paid by the United States government, which also pays the company one main the amount of its bills in money for transporting its reaght, troops, mails, &c. The femaning half of these birs is paced to the company's credit, and forms a sniking fund which may finally discharge the whole amount of this hen. The claims against the government since April of the current year amount to four and one-half times this interest.

2.-FIRST MORTGAGE BONDS. 2.—PIRCH MORFAGE DOLLOS.

By its charter the Company is permitted to issue its own First Mortgage Bonds to the same amount as the bonds issued by the government, and no more, and only as the road progresses. The Trustees II the bondendelsers are the Hon. E. D. Morgan, J. S. Senator from New York, and the Hon. Oakes Anies, Member of U. S. House of Representatives, who are responsible for the delivery of these bonds to the Company in strict accordance with the terms of the law. 8.—THE LAND GRANT.

The Union Pacific Railroad Company has and grant or absolute donation from the govern near of 12,800 acres to the unite on the line of the county which with not be worth less than \$1.50 peoper the lowest valuation.
