It was the encouragement boring counties, who desired to obtain

THE Philadelphia Sanday Transcript, THE Philadelphia Soudery Transcript, an original Grant paper, in speaking of Gen. Grant, says that he has "forfeited all claint to respect as a gentleman, or confidence as a soldier," and that "he bas suffored his has for other to overhas suffered his last for office to override his manhood," and furthermore says; "a candidate who commences his career in deceit will not fail to find

shame, if nothing worse, in the end."

M. B. LOWRY, the ruffled shirt Senator from the Erie district, says that his party (the Radicals) will be compelled to nonfinate Grant for President, in or der to get a "strengthening plaster, nerve and bone liniment and green goggles" for the weak-kneed, bowbacked and susken-eved Republicans." Morrow knows what's what.

THERE are more outrages of every sort perpetrated in Tennessee than in all the other ten Southern States. Reason-State Treasury, Barefaced robbery. matter. the State has been " reconstructed."

Anna Duggen, late of No. 167 Fennsylva-nia avenue, Pittsburg. The busbend of No. 167 Fennsylva-nia avenue, Pittsburg. The busbend of this woman and her brother, together with Patrick Hughes and party were on their way to Call-instantist, with each aventue to the difference of the par-ticle sub-construction difference of the the sub-tion for each aventue to the difference of the par-ticle sub-construction for the difference of the sub-construction for the difference of t From the Union, Republican (Madrid)

A conduct condension is a new resolution, which we have a dispute control of a structure of the sector is a sector of the sector in the set of the kinetic of what for y and y and y morance led the American people to sub-mit themselves, the bond-slaves of taxa-tion and fanaticism, that thereby a few millions of blacks might be made their equals and partners in the administra-tion of the kederal and State affairs ition of the Federal and State affairs.--Meanwhile however, the mongrelites go on from step to step in the downward "progress" of Radicalism, and manifest the greatest delight over each new and the greatest delight over each new and degrading concession made to planta-tion chattels by their Rump allies. The Anti-Slavery Standard under the capwhere we are the set of the set o

BECAUSE the people of Moutana last fall voted to restrict the suffrage to white men, the Rump Congress has declared that Montana shall not be admitted into the Union as a State until the niggers shall be allowed to vote. From this it the privilege of voting and holding ofis evident that whilst that miscrable fac- (fice, tion of infernals dominate in Congress no State organized upon a constitutional basis, and hence likely to elect Democratic Senators and a majority of Demo-cratic Representatives, will be allowed to come into the Union. When party spirit is carried to such an extreme it is only fair to predict that either the Radi- gest, they are found in the Legislature.

cal party or the Government will be destroyed. A Government cannot long he perpetuated by perpetrating such out-

ceived and pocketed \$12,000 out of the not then he served. This is what's the terms in the penitentiary-two for stealing and one for murder,

The hushand of this woman and her trother, together with Patrick Hurles and a party were on their way to Cali-i fornia. The hushand had his hands and face slighty hunned. The rest of the par-ty escaped. Negroes "Must Share in Pederatand state Mairs." Those who come after us-yes even

Those who come after ns—yes, even men now far advanced in years, will look back upon this time of negro mad-ness and color blindness with horror and -hame :-will wonder what folly and igcommitted a rape on an Irish girl fifteen years old, and afterwards threw her over years old, and afterwards throw her over an embankment at the railroad tunnel, breaking her shoulder-blade and other-wise injuring her. The negro was sub-sequently arrested and lodged in jail. A crowd of infuriated eitizens assembled and forced the jail open, taking the ne-gro out and hanging him to a tree on the top of the precipice where the young Irish girl was thrown over.

- The Fenian excitement still contin-- The Feman excitement still contin-ues in England. Late dispatches from "the seat of war" indicate renewed ac-fivity on the part of the champions of Irish Freedom, and show that John Bull's great scare is increasing every day. Mrs. Partington tried to sweep away the sea from her door with a broom, but she failed. The British anthorities out she failed. The British authoritie have just about as easy a task in attempt-ing to suppress the rising tide of Irish nationality, by wordy proclamations and harsh prosecut

FORNEY says " Tennessee is the most

perfect republic in America-even more so than Massachusetts." If a man is desirous of finding that

particular place called "hell upon earth." let him go to Tennessee. What a pattern of a republic is that in which three-fourths of the people are denied nal, either upon habeas corpus, quo wea

rado, or in any manner whatever, The original bill usarping the powers of the Supreme Court, and the bill de-posing the President and making Grant Commander in Chief of the army, still hangs fire in the Senate. The Itadicals seem to be afraid to strike the fatal blow, which is to bring the whole fabric of gov ernment down around their ears. CACOASIAN. "As usual, one of the first things done by our economical legislators was to vole themselve each, a copy of Purdor's Digest, at a cost of nea by \$1,000 to the tax-payers."—Exchange.
