Whooping Cough, Croup, Asthma, Pulmonary Affec Depot Master of South Koyatston, Muss.

"In the spring of 1881 was mostsverely afflicted with a hard, dry cough, with its usual accompaniments of night sweats, completely prostrating my nervous system, and producing such a debilianted state of health that, after trying medical aid to no purpose, I had given up all nopes of ever recovering, as had also my friends. At visstage of matters it was provaited upon through the influence of a neighbor to try Wistar's Baisam of Wild Cherry, and, before using two bottles, the effect was almost magical. My cough entiroly left me, the night sweats descried me, hope once more clutted my depressed spirits, and soon I had attained my wonted strength and vigor. Thus has this Baisam, as has often been remarked by persons conversant with the above facts, literally snatched me from the yawning grave. You are at liberty to use this for the benshit of the afflicted." GRACES CELEBRATED SALVE, cures in a very short time
