"THE SWEETEST THING IN LIFE" is good health and good spirits, and if you have them not, the next best thing is another, under one name or another, they and their staring advertisements are everywhere to what will restore bloom to the faded cheek and happiness to the drooping heart. The great and sure remedy is Plantation Bitters, which our physicians recommend to both male and female patients as a safe, reliable, agreeable and cordial stimulant. They contain nothing to disagree with the most delicate constitution, and have won golden opinions from all who have tried them; and probably no article was ever tried by so many persons. They elevate the depressed and give strength to the weak.

Among the many restoratives which nature has supplied to relieve the afflictions of humanity, there is no more favorite one for a certain class of diseases than the "medicinal gum" of the Wild Cherry Tree: but however valuable it is, its power to heal, to soothe, to relieve and to cure, is enhanced tenfold by scientific and judicious combination with other ingredients, in themselves of equal worth. This happy meeting exists to a remarkable degree in

DR. WISTAR'S BALSAM OF WILD CHERRY whose value in curing Coughs, Colds, Bronchills, Whooping Oough, Croup, Asthma, Pulmonary Affections, and Incipient Consumption is inestimable. STRONG TESTIMONY.

From Benjamin Wheeler, Esc., Depot Master of South Royalston, Mass. From BENIAMIN WHEELER, ESQ.,
Depot Master of South Royalston, M'ss.
"In the spring of 1838 I was most severely afflicted with a hard, dry cough, with its usual accompaniments of night sweats, completely prostrating my nervous system, and producing such a debilitated state of health that, after trying medical ald to no purpose, I had given up all hopes of ever recovering, as had also my friends. At this stage of matters I was provailed upon through the influence of a neighbor to try Wistar's Baisam of Wild Cherry, and, before using two bottles, the effect was almost magical. My cough entirely left me, the night sweats described me, hope of hoc metals and my work as the state of the night was a discount of the metals of the control of the marked by persons conversant with the above facts, literally snatched me from the yawning grave. You are at liberty to use this for the benefit of the afflicted."

BITTERS.—In the medical world, nowbe found, professing to cure all the lifs flesh is heir to, from a bump on the head to the small pox. Of their efficacy in general we know nothing, but there is one variety concerning which we hear praise from all. We refer to Hoofland's German Bitters. This is not a mere preparation of some sort of liquor and bitter herbs and barks of some sort of inquor and officer nervisand outers but a Medicine designed for Disenses of the Stomach and Bowls, and of great power and usefulness. We have not made these assertions without consulting those who know, and are competent to judge, and they all fully endorse what were the property of th

what we say.

The above remarks are capital from the Editorial
column of the "EAGLE," Poughkeepste, N. Y. You
will recollect that HOOFLAND'S GERMAN BITTERS is entirely free from my accelodic ingredients, HOOFLAND'S GERMAN TONIC s a combination of all the ingredients of the Biters with pure Santa Cruz Rum, orange, anise, &c. It is used for the same diseases as the Bitters, in coso where some Alcoholic Stimulant is neces-sury, and makes a preparation delibghtfully pleasant and agreeable.
