

TRIBUTE OF RESPECT.—At a meeting of the Union Philanthropic Society of Dickinson College, the following preamble and resolutions, were unanimously adopted.

WHEREAS, The recent decease of Hon. James Buchanan, ex-President of the United States, has called for the attention of the Society of which he was a graduate member and which, even until the recent decease of the highest public station, he ever held, and in which he was the first literary success of his country, and in which he was the first to have secured the highest literary attainments as were those of his countrymen.

A FAMILY REMEDY.—No family should be without some efficacious remedy for the cure of affections, so universally prevalent, as coughs, colds, sore throats, whooping-cough, and croup—some remedy, too, and certain. Dr. Wistar's Balsam of Wild Cherry combines this desideratum.

The great amount of time consumed by the ladies in dressing and arranging their hair must make any article which would lessen their labor particularly desirable. Ring's Vegetable Anodyne leaves the hair in such condition as to render the dressing and arranging a very easy matter.

But larger, by hundreds multiplied into millions, than the domed band who rode to swift destruction in Tennyson's poem, in the great cavalcade of unhappy men who are rushing to untimely graves, followed by the gaunt spectre Dyspepsia.

MAGNOLIA WATER.—A delightful toilet article—superior to Cologne and half the price. June 18, 21.

THE CAUCASIAN will be issued on July 10.

On one side condition, Ivo, I might be led With this beautiful ringlet to part— Would I could give it to you, I might be led To give you the lock of my hair.
