Now I think, the Union army thinks and the people of the North and West I dare say believe, there must be, or there ought to be, a shorter, surer way of prison. He has a black skin and that saves him from merited punisho get good government for all at th

We know that they who organized nd sustained the Southern confederacy Several years ago, a certain U.S. officer was wild—and unpopular among for four years, against gigantic efforts, ought to be able to give peace, law, or-der, and protection to the whole people of the South is army comrades as he was reckless. During the great Crystal Palace exhibition in New York City, he distinof the South. They have the interest and the pow-

guished himself by riding a horse into They have the interest and the pow-er to employ, protect, educate, and ele-vate the poor freedmen, and to restore themselves and our country to all the blessings of which I have just spoken. The question we want answered is : "Are they willing to do it?" I came down to find out what the peo-ple of the South think of this, and to a hat store, and performed several other feats which at last brought him to a court martial. The court assembled at Fortress Monroe, the officer was tried and the finding given but not published

-"guilty of conduct unbecoming an officer and a gentleman." Informed of the finding and anticipating its approval, the Captain for such

I came down to find out what the peo-ple of the South think of this, and to ask you what the officers and soldiers who served in the confederate army and the leading people who sustained it think of these things. I came to ask more; I want to ask you, in whose purity and patriotism I here express unqualified confidence, and so many good men as you can conveni-ently con-ult, to say what you think of it, and also what you are willing to do about it. he was, went at once to Washington, called upon the Secretary of War and made a frank statement of the case.-He acknowledged his fault, but said if punished by the court in the manner he expected, he would be forever dis-

bout it. I want a written expression of views I want a written expression of views that can be followed by a concurrence of action. I want to know if you and the gentlemen who will join you in that written expression are willing to pledge the people of the South to a chivalrous and magnanimous devotion to restor-ing peace and presperity to our com-mon country. I want to carry that pledge, high above the level of party politics, to the late officers and soldiers of the Union army and the people of the North and West, and to ask them to consider it, and to take the necessagraced. In consideration of his position as an officer, and the circumstances connected with his family, he begged permission to resign. The Secretary of War informed him that such a thing as resignation after charges had been preferred was unbeard of in the annals of military law, and contrary to the will and practice of the service. But the officer begged on, and finally the Secretary yielded; the resignation was to consider it, and to take the necessa allowed, and the soldier became a ciwith a response so warm, so generous and confiding, that we shall see in its vilian and merchant. The officer was Gen. Ulysses S. Grant, and the Secre

tary of War was Jefferson Davis. TEN MILLIONS MORE :

in reverence and regard for the Union, the Constitution, and the welfare of the country, and that what you would say would be endorsed by nine-tenths of the The public debt statement for the month of August, just published by Hugh M'Culloch, Secretary of the Treaswhole people of the South's but I should like to have the signatures of all the representative Southern men here who concer in your views, and expressions of their concurrence from the principal ury, shows an increase of TEN MILL. IONS OF DOLLARS! Think of it. tax-payers-you who have been taxed almost to death-an increase of the pubflicers and representative men throug lic debt in one month of ten millions of out the South when they can be procurdollars! "In the name of heaven, where does all the money go?" asks a This concurrence of opinions and

where does all the money go?" asks a friend at our elbow. It goes to pay off the scoundrels who hang about the Freedmen's Bureau; to the army in the South that is retained there for political purposes; and to drunken Congress-men, who make money from the posi-tion they occupy. It goes, in fine, for the beautiful "rcconstruction policy" of the Radicals. THE Springfield *Republican*, a Repub-
