I. EAST MAIN STREET. Yagetable Sicilian Hair Renewe Has stood the test of seven years before the public; and no preparation for the hair has yet been discovered that will produce the same beneficial results. It is an entirely new scientific discovery, combining many of the most powerful and restorative agents in the VEGET-ABLE KINCODM. It restores GREY HAIR TO ITS ORIGINAL YOUTH-UL COLOR. It makes the scalp white and clean; cures the scalp white and clean; cures deadaruff in humors, and fulling out of the hair; and will make it grow much build heads, except in very fed persons, as it furnishes the cutritive principle by which the citr is nourished and supported. It makes the hair most, soft, and bash, and is unsurpassed as a 1 AI E D E ESSING. It is the capest preparation ever offered the public, as one bottle will accomplish more and last longer than three bottles of any other preparation.

It is recommended and used by the First Medical Authority. The Wonderful results produced by our Sicilian Hair Renewer have induced many to manufacture preparations for the Hair, under various names; and, in order to induce the trade and the public to purchase their compounds, they have resorted to falsehood, by claiming they were former partners, or had some connection with our Mr. Hall, and their preparation was similar to ours. Do not be deceived by them. Purchase the original: it has never yet been equaled. Our Treatise on the Hair, with certificates, sent free by mail. See that each bottle has our private Kevenue Stamp over the top of the bottle. All others are imitations.
