fered to the public, as one of the satest and most profitable investments.

1. They are a first mortgage upon the longest and most important railroad in the country.

2. By law they can be issued to the Company only as the road is completed, so that they always represent a real value.

3. Their amount is limited by act of Congress to Fitty Million Dollars on the entire Pacino line, or an average of less than \$30,000 per mile.

4. Hon. E. D. Morgan, of the United States Senate, and then Oakes Ames, of the United States House of Representatives, are the trustees for the bondholders, to see that all their interests are protected.

5. Five Government Directors, appointed by the President of the United States, are responsible to the country for the management of its affairs.
