died on the 2ist uit:

WHEREAS, It has pleased Alm gitty
God to take from us, on the morning of
Sunday, the 2ist uit, our fellow-student
A. D. Maloy, of Centreville, Md. therefore, by the students of Dickinson College, in the chapel assembled, be it

Resolved, That as we cannot recall the
dead to the living, we still feel it our duty in consideration of the good character
and good principles of the deceased, and
the esteem in which he was held by all
who knew him, to bear testimony of our
deep sorrow and regret which his death
has occasioned us, causing a gloom to
hang over the College with which we are
connected, and a sadness to pervade every heart. While our associations with
the deceased have been of short duration,
yet they were enough to endear him to
us'all, and to keep his memory ever sacred an 1 cherished in our hearts. His
pstience during hours of sickness, his
resignation to the Divine will, and his
courtous, uniform, gentlemanly conduct
in the days of his health among us, all courtous, uniform, gentlemanly conduct in the days of his health among us, all serve to increase our sorrow at his un-

serve to increase our sorrow at his untimely death.

Resolved, That we hereby extend to the family and relatives of the deceased, our tenderest sympathy in their distress. Feeling that nought of human help can avail in such an extremity, and that words, however kind or sympathetic, cannot assuage the pains of an aching heart, we commend all the afflicted to our, Heavenly Father's love and care.

"He who tempereth the wind to the shorn lamb," and of whom it is written, "not a sparrow falls to the ground with-

shorn lamb," and of whom it is written, "not a sparrow falls to the ground without his notice," can overrule even this sad hereavement for good.

Resolved, That we will wear the usual badge of mourning for thirty days; that we will attend the funeral obsequies, and accompany his remains, in the order of our class, to the depot.

Resolved That a copy of these resolutions be suitably engressed and forward-

tions be suitably engrossed and forwarded to the family of the de-eased, and that they be published in the Volunteer and Herald, of Carlisle, the Methodist Home Journal, of Philadelphia, and the Centre-traville. Met purpose Journal, of Fundamental treville, Md. papers.

A CARD.—Messrs Bratton & Kennedy, You state in your issue of the 25th, inst, that "a package of the Volunteer, of the date of February 11th, was mailed in the Carlisle office on the evening of February 10th, and reached Bloserville on Saturday evening the 20th, inst "and charge "that the blame must be in the Carlisle or Newville office."

I begleave to claim exemption from

Carlisle or Newville office."

I beg leave to claim exemption from any blame in this matter by the following explanation: The P. M. at Newville has informed me, that the package refered to, was, on the occasion specified, accidentally distributed into the Springfield and Stoughstown Mail Pouch at Newville, and did not return to Newville, until the succeeding Monday; and, as Bloserville receives but one mail a week (on Saturday,) the missing package was re-mailed at Newville, February the 20th, inst, thus accounting, that the cause of delay does not attach to this office.
