ALISMA.—Last week we called attention to the Constitution Bitters of Seward & Bentfy, and now we take pleasure in noticting their Alisma for the hair, which is said to be a very flue article for the toilet. We are of the opinion that the transpretions of S. & B. are all good. the preparations of S. & B. are all good, for the reputation they sustain as Druggists is good evidence that they would not put any thing in the market of an ordinary character. BRONLOW'S KINGDOM .- A Menhis dis patch gives the following account of the latest tragedy in the misgoverned "loyal" kingdom of Brimstone Brownlow:

"A horrible tragedy occurred on Friday. A party of white men went to the house of Colonel Thomas Dickens, white he and two men, named Wilson and Humphrey, were eating supper, and knocked at the door, which was opened by Humphrey without saying a word. by Humphrey without saying a word.—
The party shot Humphrey through the body, and with knives rushed in o throom, put out the lights, and their commenced firing at Wilson and Dickens.—
Dickens received one ball in his body, and with Humphrey managed to crawl out of the room. Colonel Dickens made his way to a neighbor's house and gave the alarm. On returning with a party of neighbors a colored female servant of Colonel Dickens was found dead near the front door. Wilson's body was 'ound in the room with eight shots through it, and badly cut to pieces. Humphrey was badly wounded. The assassins plundered the house, taking everything of value, rifled the pockets of Wilson and the negro woman, and took two valuable horses woman, and took two valuable horses from the stable and escaped."

Such is life in Tennessee, where the government is in the hands of Radical knaves, elected by the votes of ignoran and brutish negroes. People of Pensylvania, do you want such a government here? If not, vote the Democratic ticke always, for in the success of the Democracy lies your only hope of safety from the rule of the negro and his more debas ed brother, the ultra-Radical white man

FROM VIRGINIA.

Radical State Convention .- It Breaks up in a Goneral stay, PETERSBURG, VA., March 9. - The Republican State convention met at noon to day. Tucker, an anti-Wells man was to day. Tucker, an anti-Wells man was declared the temporary chairman, which the Wells men re-isted, and a general fight ensued around the chairman's stand. A strong police force interfered and separated the combatarits. Mr. Burgess, mayor of the town, appeared and made a speech in behalf of peace; and the rival candidates for temporary chairman followed, advocating peace. Another row ensued, and the mayor ordered the police to clear the hall, which was done. The delegates are now scattered about the street, and it is not known when they will reassemit is not known when they will reassem-

LATER.

PETERSBURG, March 9 .- After the stor-PETERSBURG, March 9.—After the stor-my scenes this morning it was announc-ed by the mayor that the convents in would re-assemble at the African church. In a short time the delegates were as-sembled and the disorderly scenes re-newed, but the mayor gave personal su-pervision, with a strong poince force, to the organization, which was effected af-ter much excitement, Jenkins, a Wells man, being chosen temporary chargman. man, being chosen temporary charman. The convention then adjourned till ten o'clock, to-night. During the session too clock, to-mgnt. During the session to-day a telegram was received from Gov. Bullock, of Georgia, desiring a harmoni-ous convention and the re-nomination of Wells.

TYBANTS AND KNAVES.-The Radica TYBANTS AND KNAVES.—The Radica leaders in Congress are not only tyrants, but knaves also. Grant was nominated at Chicago upon the platform that in the Northern States the question of suffrage should be left to the people thereof. But jut the face of this party pledge, they are mowendeavoring to deprive the people of this right, and force them to make the negro voter an office-holder.

Grant accepted the platform, and was elected upon it. He, too, is to be cheated. He, too must be driven into this negrour ent, and be made to give the lie to his

Keep it on day and night, changing it when the streagth of the on ions appear to be exhausted, and substituting fresh ones. Flannel must be worn round the neck after the poultice is removed.

The New York Tribune says the reason why Plantation Bitters areso generally used is owing to the fact that they are always made up to the original standard, and of pure miterial, let the price be what it will. The Tribune lust hits the nail on the head, for Plantation Bitters are not only made of pure material, but the people are told what they are made of; as the recipe is wrapped around each bottle.
