

Curious Incident

BEHIND HAND.—We find it necessary to apologize for the delay in the issuing of our paper for some weeks past. Notwithstanding our increased facilities for doing a job work, the kindness of our friends has overwhelmed us, this spring, so that our paper has frequently got behind hand. In the course of a few weeks, however, we expect to be in more commodious quarters when by the introduction of a new press and a variety of new material, we expect to be able to meet all calls upon us promptly and in the best style.

Local Items

Spades are trumps now.

Plenty.—Early vegetables around in the markets.

Numerous.—Lady promenaders these pleasant evenings.

I scream.—The Ice Cream resorts of this place are in full blast.

Fine prospects.—From appearances we shall have abundant crops of grain, vegetables and fruits this year.

All important.—The "woman question" in Carlisle now is "What shall I get for spring buns?"

Magnolia water.—Superior to the best imported German Cologne, and sold at half the price.

Pleasant.—When you are trying to sleep it is not pleasant to hear two dogs, half a mile apart, discussing a dogmatical difference of opinion.

Shame!—Our devil wishes to know if any one ever heard a young lady with purple ankles and clean stockings complain of muddy crossings.

Jupiter's stalling exhibition has closed, and Venus will run the machine in the evenings for the rest of the year—with old Mars playing second.

The latest.—Parisian outfits are said to be the latest Parisian agency—their principal recommendation being that they are cheap, and just the thing for editors.

Send us news.—We will be thankful to our friends throughout the country for reliable information in regard to all local occurrences worthy of publication.

The circus.—A number of persons from the country were in town on Friday to see Bryan's circus and menagerie, but many were kept at home by the weather.

Protect the birds.—As a robin kills eight hundred flies in an hour, the general introduction of the bird would be productive of much comfort to our citizens this summer.

Job printing of all kinds, such as bill heads, circulars, posters, programmes, cards, blanks of every description, and in fact any style of printing desired, executed at this office, in the best style.

Broke his leg.—Jackson Reigher was engaged in some brick work on the residence of Saml. Hepburn, Jr., on Wednesday, when he fell from the ladder to the ground, fracturing his leg.

Over.—The rafting season is over. The Susquehanna river has afforded such excellent rafting facilities, the present season, that not a single raft is supposed to be left at the upper end of the stream.

Ice cream festival.—The ladies of the Episcopal chapel intend to hold an Ice Cream Festival, in the lecture room of the church, on Friday, and Saturday evenings. The proceeds are to be devoted to paying for the repairs recently made to the church. All are invited.

Fashionable.—Young girls now wear ten-colored toes, reaching about eight inches above the ankle. The articles are very tastefully made, and are to be set down as alike pretty and becoming. A pair, however, an expensive item of feminine apparel.

At it.—House cleaning operations are active with the women folk. Tomcats, dogs, and male pigs generally have business away from home about that time. The artists who do landscapes in white wash, and execute geometrical figures with scrubbing brushes, are extremely busy.

Concert.—The annual open air concert was given by the Carlisle Band, in College Square, on Saturday evening, and was listened to by hundreds of people, who seemed to enjoy immensely the even breeze, the delightful music and the promenade. Every body voted it a success.

Run away.—On Tuesday afternoon, a train of horses, attached to a covered wagon, ran down Hanover and Pomfret streets, causing considerable excitement. The driver was thrown out and considerably injured, but not otherwise injured. We did not learn whom the team belonged to.

Siff and Gavilard's Ministrels.—This company, composed of twenty star performers, will appear at Rheo's Hall this evening (Thursday). The company has its own brass band, and we have no doubts the performance will be highly entertaining. We notice that the Western papers speak of this company as being below upon it the highest encomiums.

Decoration of graves.—On the 30th of May the graves of soldiers throughout the United States will be strewn with flowers. Why not make the graves of both soldiers as well as of civilians of a most extensive observance throughout Europe, and is poetical and beautiful. Let all who have led to honor put flowers upon their graves on the 30th of May.

Assistant Assessor Appointed.—William B. Parker, Esq., of this place, has been appointed Assistant Assessor of this division, in this division, and will enter upon his duties in a week or so. Mr. Parker is a young gentleman of excellent character and fine abilities, and will discharge his official trust with fidelity, promptness and courtesy.

DEATH OF A FORMER RESIDENT OF CUMBERLAND COUNTY.—Henry Snyder, Sr., formerly a resident of Dickinson township, died near Springfield, Ohio, on the 25th inst., in the 84th year of his age. He moved West about thirty years ago, and has resided near Springfield ever since. He leaves five sons, Jno., D. L., William, Henry, and Christian, and one daughter, all of whom reside in Clark County, Ohio.

A Good Appointment.—We are pleased to learn that our friend J. M. Weakley, Esq., has been appointed Deputy Secretary of the Commonwealth by Gov. George. Mr. Weakley has great business qualifications which eminently fit him for the position, and we congratulate him upon his appointment. It is probable, however, that his tenure of office will not be of very long duration, as we will have a Democratic Governor after January next.

WHAT IS NEEDED.—We need for our dwellings more ventilation and less heat; we need more out door exercise, more sunlight, more air, and more fresh air; we need more amusement, more health, more fun, and more joy, more social life, and more better moral habits than our forefathers had; we need more fun, more romp, and more study. Our old men more quiet, and earlier relaxation from the labors of life. All men, both young and old, need less medicine and more good food.

SPRING TIME.—The warm weather for the past few days is producing a magical change in the appearance of the country. Where a short time since there was hardly a blade of grass to be seen, now there is a beautiful carpet of green. The buds on the trees are swelling and bursting into young leaves; the crocuses and hyacinths are showing their brilliant color, and the birds are warbling their sweet notes of rejoicing at the return of spring. A drive to the country will show every one who can should now enjoy.

EXTENSIVE ART GALLERY.—Next to the Bible, no book is more useful than Webster's Dictionary. The Universal is an extensive art gallery, containing over three thousand engravings, every animal, insect, reptile, implement, plants, etc., which we know anything about. It is a vast library, giving information on a host of subjects. WOUNDED BY A GAME COCK.—Our friend, the Hon. Corbin, Esq., met with a serious accident, last week. He was returning to town from his farm, and was followed by a game cock, which he mistook for a chicken, from one of his yards. He was attacked by the bird, and was severely injured. He was taken to the hospital, and is now recovering.

ASSAULT.—On Saturday last, a German named Shimmell, an image maker, made an attack on the lumber office of Delaney & Shinn. Our friend G. F. Shinn, desiring "discretion the better part of valor," retired to a second story, whereupon Shimmell began to amuse himself by breaking the chairs, upsetting the stove &c. John Goodyear came to the rescue, and knocked the German down. He was taken to the hospital, and is now recovering.

IT IS SAID THAT THE PROPRIETOR OF the celebrated Plantation Bitters rent no less than nine pews from the different denominations in New York city who occupy them regularly, free of charge. This is certainly a gratifying fact, and is to be hoped that others who employ a large number of people, will follow the example. The above fact, accompanied by the belief that a firm who would look so closely after the morals and welfare of their employees, would not undertake to impose upon the public, has induced us to give the Plantation Bitters a trial, and having found them to be all that is presented, we cordially recommend them as a tonic of rare merit. —Observer, July 1st.
