RADISHES, salad, spinach, new onion and other vegetables are appearing very dentitul in our market—and are purcha sable at moderate prices.

EXPENSIVE.-The new registry law will cost the tax payers of this county about two thousand dollars per year more than they have heretofore paid for the luxury of voting.

THE LOST FOUND .-- Our assistant engineer, bill poster and fence decorator, arrived in town, direct from Newbort Perry county, on "shank's mare," on Tuesday last, at 12, M. He requests us to inform his friends that he is now ready to attend to all who may favor him with a call.

HAY .- From every appearance there will be a large crop of hay this year. The time for mowing and reaping is not far off. The grass fields never looked better than at present. A few weeks of warm sun, with an occasional shower, will rip n the clover and bring the hay crop to its full maturity.

CONCERT. - The concert in behalf of the widows' and orphans' fund of the Grand Army of the Republic, on Saturday evening, was a complete success. The Garison band, the Carlisle band, a chorus of children and a quartette of laties and gentlemen participated in the exercises The Hall was crowded, and all seemed to be delighted.

A GAY EVENING .- Town was decided ly lively on Saturday evening. The Garison band paraded through some of the principal streets prior to the concert. A few weeks ago a friend brought into the shop a little dog picked up in the street Goodwille, in fondling it was bitten it Goodwille, in fonding it was letten in the thumb. Little notice was taken of the wound, which healed over. The first symptoms of hydrophobia appeared on Sunday morting, when he arose and at-temp of washing himself. The sight of water three him into paroxyons. Medi-al sid was summonal but the malaty water threw him into paroxysus. Medi-cal aid was summoned, but the malaby increased during the day, and at right he toaned at the mouth, sumpped at members of his family, and was eized with convulsions. Every few minutes he realized, during his lucid intervals, his ituation, and begged his friends to keep away for safety. Yesterday after-noon it was determined to try the effect of a sufping vapor bath. The patient was handenfied in a bath for ball as-hour at a temperature of one hundred hour at a temperature of one hundre and thirty-six egrees. When taken on and tald on a lounge he was at first be ter, but fifteen minutes after expired a horrible spasms. He leaves a wife an children

The New York Tribune says: " Wh even Chicago pauses in her tremendou sindes to emplie, to swell the cry of dull times, there must be something in it." There is something in it, as business men are acknowledging every day -something which the Tribuic, with its threatened ar icles on protection, cann t reach. The nnanetal incore is visionary and initial, and until a proper fentedy is appried in that quarter, Chicago will continue the cry of "dult times," and other cities and business centres join in the chorus.
