 Is the most general resort of the people of imparting strength. Women gener-of Cumberland County. On al public of the benefit from them even occasions during court week, on the inore than men, their system being more liable o debil y and exhaustion.
First of April, during the political campaign—and almost invariably in the evenings—there are hundreds of people gathered together under the trees. A dorm of so of imparting strength. Women gener-of evenings and again in our experience of the trees. A dorm of so of imparting strength. THE GUBERNATORIAL CONTEST. Advices from Harri-burg state that a Canv-ss of the delegates to the approach-ing Democratic Stata Convention disclo-ses the lact that General Cass will hav. at least fity-five voters on the first bal-lot, which though not a majority, will be so much more than any of his Com-netitors can command. that the informer. ed every indication of exhaustion, nervous suffering and debility. the American public are beyond ques-tion those of Dr. Stoever, and this is equivalent to declaring that they are the be so much more than any of his com-petitors can command, that the prospect of his noull attion is exceedingly flatter-ing. General Case is a gentleman of great ablity, and possesses all the requi-sites, barring his politics, to make a good and effic ent G. vernor. He has many warm friends among the leading Repub-licans here, and in view of this fact and Genry's unpopularity with our people, should Case to nominated and the pres-ent incumbent be the Republican candi-date, it will take a vast amount of work excellent bitters now current, a poor article has no chance of success whatarticle has no chance of success what-ever. The most ignorant person can tell at once by its effects, annost from a single dose, whether any bitters are good or bad. These of stoever have been sold for thirty years, are compos-ed of sixteen of the safest roots and herbs of a wel-known tonic virtue, so skillully selected and compounded with regard to their mutual effects, that it may be donbied whether any more ent incumbent be the Republican candi-date, it will take a vast amound of work to save the party from utter deteat. There are not in this county a dozen prominent Republicans who desire to see Geary renominated. The party mas had quite enough of him arready, and, if the Convention be also and desire to see the Republican banner corried to victo y in October, some other standard-bearer than the humbug who now fills the office will be put in nomination. it may be doubted whether any perfect form of this medicine can be

ORSE STOLEN.-On Monday night, from 'a field on the farm of lias Brenneman, in Middlesex townhip, a strawberry roan horse, branded "A, E.," on the hoof, and a scar caused yacut on the left jaw. One hundred ollars is offered for the recovery of the orse and conviction of the thief.

"Good HEALTH."-We have received he second number of a new monthly rnal called "Good Health." It is devoted to physical and mental culture.he contents of the number before us beeak success for this new applicant for ublic fevor. Published by Alex. Moore, I Franklin street, Boston, at 2,00 per ear. Single copies, 20 cents.

APPOINTMENT TO A CADETSHIP. leare pleased to learn that Muster Daniel Cornman, son of Ephraim Cornman, Esq., has been appointed to a adetship at West Point, from this disrict. Master Cornman has just graduaed with distinction at the high school, nd bears the reputation of being a faithful student and having a good und. We wish him a succes-ful and monable career in the new field upon which he has entered.

Excursion to HOLLY .- There was an cursion'to Mt. Holly by rail, under the pices of the Empire Hook and Ladder mpany, on Saturday. The party were eated in open cars, and got a good duckog on the way out. As it was absolute-

necessary to drive out the dampness, me of the boys got pretty jolly, and nade things lively by a promiseuous snock-down. The physicians did a big usiness, after the return of the train, in ewing up cut lips and scalps. It is an ll wind that blows nobody good.

IMPORTANT TO CIGAR DEALERS.tofore it has been a common practice <sup>a sell</sup> cigars from show cases without aving them placed in the stamped boxrequired by law. By this arrangelent, a manufacturer might evade payneut of tax in filling his show cases and elling from them. It is said that a conderable number of frauds, have been erpetrated in this way of late. As they very difficult to detect, an order has en issued by ('ommissioner Delano, di tecting no cigars to be sold save from box-<sup>i, stamped</sup> as legally required.

KILLED.-A dispatch was received in bersburg last week announcing the secution of Mr. Albert Wyeth, young-<sup>804</sup> of John Wyeth, E-q., formerly of place, and now residing in Chamurg, by the Spanlards, in Cuba .-dr. Wyeth left New York a short time hee, in the steamer Grapeshot, for Cubut we are not able to say whether he ended to join the insurgents. He was a number of years a successful tele-<sup>1 operator</sup>, and although very young, frequently promoted by his employ-He was a noble hearted young man, id made triends of all who knew him. is unlimely death is very much de- has probably heard from "the old genplored.

tieman" before this. 

dozen or so of iron seats would be a very handsome improvement and one gene rally acceptable to the community.

THE FOURTH.-The banking-house and the printing offices celebrated our national anniversary by closing shop on Saturday. Our merchants closed on Monday. In other words, some of us had our Fourth of July on the third, and the remainder had their "fourth" on the fifth. An old German friend of ours asked us, "how comes it the fourt of Schulie day comes on de finif of Schulie dis year." We tried to explain, but he said " I not know how dish ish, but every pody say it vas so, und I makes no nade podder over it." A great many people, however, did make a bother over it, and

Thousands of persons are exposed to or afflicted with fever and ague, bilious ague or other results of markina. Let them remember that, these bitters are admirated in the processor for the second as some couldn't exactly satisfy their ninds as to the proper day to observe them remember that, these outers are admirable in such cases, as for diar-rhoea and cholera morbus, or any ordi-mary derangement, of the stomach Try them and be s-tisfied that they should be in the stores of every lamily, and the tempt of every traveler. they compromised by taking Saturday, Sunday and Monday, and thus had three fourt of Schulies" in one year. The military at the Garrison observed and the trunk of every traveler. It is a favorable feature in the adverthe fifth. A national salute was fired at sunrise, at noon and at sundown, and there was a grand dress parade and re-

view. On Monday evening there were a number of private displays of fireworks, which the juvenile portion of the community seemed to enjoy hugely. OUR REPORTER'S FOURTH .-- We star-

ed our reporter out on Saturday to hunt the Fourth." After an unsuccessful search of three days, he returned on Monday evening, chuck full of patriotism, or something else of a very effervescent nature, after having unsuccessfully visited Gettysburg, Holly, "the creek," the Garrison and sundry other places. His

account was rather incoherent and unintelligible, and was doubtless shaped after the manner of some of the orators he had neard in his travels. Removing his diapidated occiputal covering, and spilling a pack of fire crackers and a euchre leck on the floor, he spoke thusly : Celer Fizzens-scarce xpect 1 of miagecustomed sign to pub (hic) lic speak ing-this is glorious anniversary of Indignation of Declapendence-Hurrah for G. put in no. nination.

From the same, May 11th, 1869. GOVERNOR GEARY MAKES A "TEN STRIKE."

GOVERNOR GEARY MAKES A "TEN STRIKE." Governor Geary has done another good thing in the exercise of his authority as Chief Executive of the State. He has pardone i Mr. W. J. Robinson, who a couple of weeks since was sent to the penitentiary le cause of a title "onpleas-antness" with Manager Smythe, and we suppose he consider i himself certain now of receiving the "undivided support." of Allegheny county in the coming State Convention: for, after such a wise and judicious exercise of the pardonjing pow-er, who will pretend to say that he is not "the right man in the right place?" Geary is, no doubt, a model Governor in all respects, eloquent, trathful and con-scientious, yet, we pity the party that must carry him in the coming. campaign. tisement of the proprietors of Dr. stoe-vers Tonic Herb Bitters, that no claim are made that they will cure every ils that flesh is heir to. The weakest intell that hesh is her to. The weakest inten-lect can hardly be imposed up in when told that this or that remedy will re-move every form of disease in every stage, and yet we can not take up the mainting of inneals without encours stale, and yet we can not take up the majority of journals without encoun-tering an advertisement declaring that, this or that medicine is a nostrum which is a perfect apothecary's shop, and a whole college of physicians in it-self, rendering all other cures useless. What is claimed for Dr. Stoever's Bit-ters is simply that will act as a good tonic, and are carable of doing as much good as a preparation of bitter principle can. They will not cure incarable dis-eases, but they will often prive vent a cer-tain class of disorders from becoming meur.ble. The reference and certifi-cates is used in their favor are all true and honest, and of these there are hun-

After the Convention The Convention might have nomina led a nuch stronger man. As it is, how-ever, nothing that we may say can rem-edy the mistake. [Dispatch, June 24th. We await further developements. and honest, and of these there are hun-

After several years of public practice, ad-justing speciacies to patients under overy aspect of defetive vision, as well as experience in an extensive, long established business in his up-tical stores, both here and in Europe, Dr. Bern-hardt considers it a sufficient guarantee of bis ability to supply such glasses as are best categ-lated for the assistance of imperfect sight. Afted for the assistance of imperfect sight. 7. M. B rnbardt, to signalize himself from the host of pretenders in his profession with prid-subnits for inspection, copies of testimoniais hi has received from medical pentiemen of the must unquestionable respectability and talend in America; also a number of cartificates from well known genionen of distinction who have used bit spectacies—the originals of all which he will be happy to show to those who may request it. The use of any falte f-flow ug names or cer-tificates hereuntanflxed, without an actual pos-sestion of the some, would be a forgery, a capital offence, punishable by State imprisonment.

Testimony of Recommendations from Medical Gentlemen, Professors of the highest Opthalimic intent in Carlisic, Lancaster Easton, and in the Julon.

CARLISLE, PA., June 16, 1869. "I most cheerfolly say that I have examined prof. Bernhardt's Lenses, and mustsay that they are better adapted to my sight than any I have seen before, and I do must cheerfully and wil-ingly say that every person that has defects of vision, ought to have a nair of hils excellent Bra-zillian Peoble Specifices, as I feel confident that they will render general satisfaction." A. J. IECRAAN, M. D. June 17, 4869-31.

Norti CE. – To the heirs and legal rep resentatives of Patrick Dawson, late of the borough of Carlisle, deceased. Take notice, that in pursuance of a writ of partition and valuation, issued out of the Or-planas' Court of Camberland county, and to me directed, an inquest will be held on the Estato of sud deceased, to wt: A Lot of Ground situate in the borough of Car-he borough of Carliabeth Egolf, on the South by Leenst and Entrabeth Egolf, on the feet in depth, on attrictury, the luth duri and sig-for the purpose of making partition and valua-tion of the real estate of saud deceased. Sheriff's Office Carlisle, } Sheriff's Office Carlisle, } A. J. HERMAN, M. D. CARLISLE, PA., JUNG 18th, 1869, "I have carefully examined the Brazilian Pyb-ble and Australian Crystal spectacles manufi-tured and sold by Dr. M. Bernhundt, of New York, and an using a pair of the former myself with great satisfaction. They are certainly superior to any I have seen. After a full conversation with the doctor, I regard bin as computsided in his profession, and therefore recommend him to performed an isthe peculiar condition of their sight may require his pervices." Respectively, and they have been they are used and the solution of the solution of the solution.

CARLISLE, June 18th, 1869. "Owing to a peculiar forma ion of the eye, I have always found it d fleuit to procure glasses to suit me. I am now using a pair of Dr Bern-hardt's, with which I am better pleased than any I have been able for sometime to procure, although, I have tried various opticians," WM. W. DALF, M. D. STOVES, TIN, SHEET IRON WARE AND PUMPS.-The undersigned having returned from the Eastern cities with a large assortment of <sup>C</sup>ARLISLE, June 14, 1863, "I have just been fitted with a pair of spec-tacies by Jr. M. forenhardt, of New York ey-with which I have been enabled to read with extreme cass and clearness, greater than I have ever read before. He shows that be is a thor-ough master of his science, and adapts his Glass-es to the peculiar detects and wants of those who constituthin with unquestionable skill. J cheerially commend him to those of my ac unalitation with unquestionable skill. STOVES AND WARES, nsually kept in a first class establishment, are prepared to furnish the citizens of Carlisle and arrounding country, with the best Cook Stoves

in the market, consisting of the In the market, SHEAF, NOBLE COOK, GAS BURNER,

and others, which they will guarantee to bake and roast better, and with less fael than any other stores in the market. Their stock of par-lor and office stores are not surpassed thus slide of the stifter of the stores. CARLETES PAR, June IS, 1889, "I have examined ..., Bernhard's inses, and have near its description of the minimer of ad-justing them for its relief of defective vision and icheerinity common 'hint to those who may de-sire to consult a skilini, optican)." of the citles for beauty, durability and cheapness. STATIONARY AND PORTABLE RANGES,

WM. C. EVERETT, Rector of St. John's Church. CARLISLE, Pa., June I, 1839, "Having cursorly inspected the line assortiment of lenses exhibited to me by Br. Bernhardt, and heard his description of the mode of adapting them to the different wants and conditions of the eye. I am persuaded that he possesses much knowledge of the science of Optics and still in the upplication of its principles to the purpose of his profession. Pastor of Lutheran Church. Langastro f Lutheran Church. and HEATERS on hand, warranted to give gen-eral satisfaction, with the recommendations of numbers of persons who have them in use,-Their stock of Tin and Sheet Iron Ware is in go, and suited to the wants of all housekeepers, or those contemplating the same, at rates which defor compatition defy competition. They have added to their businessa large and of his profession. Jost Swairz, Rastor of Lutheran Church, LANGASTER, PA., May 24, ISS. "I havd examined a great variety of disases manutactured by Dr. M. Hernhardt, and, in Jus-tice to him, must say that his glasses are of a superior quality, adapted to meet the wants of manufactured by Dr. M. Hernhardt, and, in yes tice to him, must say that his glasses are of a superior quality, adapted to meet the wants of hims Australian Crystal Ginessi on the a pair of his Australian Crystal Ginessi on the apair of his Australian Crystal Ginessi or fine of a very superior quality and warding a point dering Vision very distinct almost as perfect as in youth. J yield th is testimony in favor of the Drs Ginases most cheerfully as well from my own experience as from the testimonials of many physicians, clergyinen and other gentle-men with whom I am personality acqualited. Jso. L ATLEE, M. D. "I take great blessure in swife that the aspace well selected assortment of WELL AND CISTERN PUMPS, hich they are prepared to put up at the shortest notice.

SPOUTING AND ROOFING one at the shortest notice. Jobbing and Repairing done with neatness and despatel
