. :, <del>. . .</del>

THE PRESIDENT AS AN ADVERTISE-MENT.-The more recent developments of the way in which personal profit is derived from Presidential pleasure show that, from, being the ruler of a free and proud people, Mr. Grant descends to be he "card" of Long Branch, the advertisement of Newport, the drawing power to Saratoga, the dead-head of all the railroads, and the privileged personage who has the free run of all the taverns wherever he goes. We may not blame the hotel keepers for this. They charge nothing at all to some persons, on the theory that, by virtue of mental or physical or official eccentricities, they attracsufficient colliteral custom to wariant gratuitous hospitality being accorded them. But for a President to be this advertisement, and to sink in the satisfaction of money saved the higher satisfaction of being under obligation to no man, selves. Are our people willing to be is hardly the desirable social instinct in | ruled by such a horde of secret assassing the head of a nation. As keen as Mr. as the Radical leaders?
