September next.

OTHER SWING ACCIDENT .- William son of Peter Foust, fell from a at the Pic-nic of St Paul's Evan-Church, on Thursday last, and was out and bruised about the hands, and body, but his injuries are not of us character.

d General Jail Delivery will comon Monday, August 22.

of the pot when done until cold. SPECIE STRUCK -Specimens of new Morns .- If moth attack the carpet silver coinage of the denominations of ten, twenty-five and fifty cents have just heen struck at the United States Mint in Philadelphia. Three different specimens of each of these denumination have been submitted to the Treasury Deboth worm and eggs. partment for approval. The standard A CATTLE EPIDEMIC.-The people of value of the new coins is reduced to cor-Salem Va., a town about fifty miles from respond in actual value with our present Alexandria on the Orange, Alexandria currency, with a view to its immediate and Manassas railroad, are sadly afflicted use instead of ten, twenty five and fifty by the loss of nearly every mil cow in that locality from the effects of a discent notes.

WORTH KNOWING .- To relieve the and which in the "past "three, days has carried off nineteen cows, while many terrible effects of running a nail in the foot of man or horse, take others will probably die. The Washingothers will probably die. The Washing-ton Republican says : " "The disease is supposed to have been brought into the neighborhood by a herd of Texas cathe recently pastured in the vicinity of the town while awaiting a marker As soon as the animal contracts the disease her milk is dried at once, the kidneys cease their action, while thestom-ach retu-es to perform its functions. In -ome cases a quantity of mucous forms in the windpipe, and a spasmodie action is noticed about the head. Various reme-dies have been applied by the owners, but as yet nothing itas been found suffi-ciently effluacious o prevent a fatal terpeach leaves, bruise them, apply to the wound, confine with bandage, and the cure is quick and certain. Renew the application twice a day, if necessary ; but one application usually does the work. I have cured both man and beast in a few hours, when they were apparently at the point of lockjaw. The recipe remembered and practiced, will save many valuable lives.-Cor. Southern Cultivator.

TRADE WITH THOSE WHO ADVERTISE -It is always the part of wisdom to be stow your custom upon those merchant and dealers who advertise their commodities in the public journals; for generally those who do not solicit patronage with printer's ink are a parsimonious class, lacking in enterprise, and will make up for lack of customers by selling inferior

wares at excessive prices .- Dr. Franklin GOOD ADVICE.-In digging wells of sink-holes great care should be exercised that the drainage from the latter does not effect the former. Many wells are poisoned in this way. The water tastes been sunstroke or apoplexy. unpleasantly ; which is a proof that it is

unhealthy. Seek out the cause-suspec that it is the sink-hole, and you will be on the right track. Many families suffer from the effects of water drawn from wells affected by sinks.

PEACHES BAK D .- Cut peaches in two emove the stone ; cut some thin slices of bread, place them in a buttered bake-pan with half a peach on each, the skin downward; dust well with sugar; put a niece of butter the size of a kidneybean on each, place in a slow oven; when cooked turn the piece over. Do the same

with slices of pine apple. COOD WEIGHT -- There is a boy living in Woodward township, Lycoming Co., Pa., 17 years of age, who stands six feet

eight inches high, and weighs over two hundred pounds. His name is George Wurster. There is also a girl living in Middlebury township, Tioga county, 14 tenrs of age, who weighs 400 pounds.

druggists, or send sixty cents to Dr. R. CHURCH ROBBERY .- Some scoundrel V. Pierce, Buffalo, N. Y., and receive it r scoundrels effected an entrance into by mail. the Second M. E.
