A GREAT MEDICAL DISCOVERY

DR. WALKER'S CALIFORNIA

VINEGAR BITTERS

Hundreds of thousands bear testimony to their Wonderful Curative Effects.

WHAT ARE THEY?

THEY ARE NOT A VILE

FANCY DRINK,

Made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors doctored, spiced and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the Great Blood Purifier and a Life Giving Principle a perfect Renovator and Invigorator of the system, carrying off all poisonous matter and restoring the blood to a healthy condition.

No person can take these Bitters according to direction and remain long unwell, provided the bones are not destroyed by mineral poison or other means and the vital organs wasted beyond the point of repair.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have been most successful. Such diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys and a hundred other painful symptoms, are the offspring of Dyspepsia.

They invigorate the Stomach and stimulate the torpid liver and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

Bilious, Remittent and Intermittent Fever, which are so prevalent in the valleys of our great Rivers throughout the United States, especially those of the Mississippi, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others with their vast tributaries, during the summer and autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In these affections, there are always more or less obstructions of the bowels, a sluggish and torpid state of the liver, and a deranged condition of the digestive organs, and their treatment, a purgative, operating a powerful influence upon these various organs is essentially necessary. There is no cathartic for the purpose equal to Dr. J. Walker's Vinegar Bitters, as they speedily relieve the congested vessel matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs. The universal popularity of this valuable remedy is a sufficient guarantee to the most skeptical of its superior excellence as a purgative remedy in such cases.

For Skin Diseases, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald Head, Sore Eyes, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effect.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feeling will tell you when. Keep the blood pure and the health of the system will follow.

Pin, Tape and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. For full directions read carefully the circular around each bottle, printed in four languages.—English, German, French and Spanish.

New Machines for 1871.

Seeding, Reaping, Threshing.

THE CUMBERLAND VALLEY

Thresher and Separator.

We offer this new Thresher and Separator, (Cashe & Co's. Patents) to the farmers of Cumberland and adjoining counties as fully equal, if not superior to any machine now manufactured. It has the great advantage of being plain and simple in construction. It is a VERY RAPID THRESHER AND A PERFECT SEPARATOR AND CLEANER. In using it the farmer will be sure of making the most he possibly can out of his crop because it

Wastes No Grain,

but saves all that goes through the machine, and separates entirely the chaff from the straw. It is an easy running machine and will do its work thoroughly. The separator is of the same time the cheapest machine in the market. The HORSE POWER which we furnish to run the Cumberland Valley Thresher is also new and entirely different in construction from what we have before offered. It is also more greater power and speed, with lighter draft, so that four horses only will be required, where many other machines require six and eight horses.

The Cumberland Valley Thresher and Cleaner was tested on the ground of the Cumberland County Agricultural Society at the Fair of 1870, a large crowd of farmers being present to witness its operation. The trial was completely successful and the machine proved its ability to thresh clean and separate grain in the most satisfactory manner. All who witnessed the trial expressed their approval in the warmest terms. The committee on agricultural implements, also gave the machine a special notice in their report, strongly recommending it. The Cumberland Valley Thresher and Separator, has also been re-constructed by Col. Wm. M. Henderson, at his farm near Carlisle, in threshing and cleaning a large crop. So fully is he satisfied of its great merits that he allows us to use his name as a reference. Farmers who wish further information can call on the working qualities of this new machine, will be respectfully referred to Col. Henderson, one of the most widely known farmers of Cumberland county.

The Cumberland Valley Thresher will always be well and substantially built, of the best material, solidly framed in every part, and presenting a handsome external appearance. Price of machine, with 30 inch cylinder, $300, without wagon. A great advantage of this machine is that it can be readily repaired at any good shop without trouble.

THE CUMBERLAND VALLEY

PATENT SELF RAKING

MOWER and REAPER.

We will also build this new machine, with changes and improvements fully remedying the defects and weak points of those built last season. Our aim is to supply farmers with a good home-made machine, which if not superior in all respects to those brought from a distance will nevertheless prove in all essential points, a good and reliable harvester. All we ask for it is a fair trial.

THE WILLOUGHBY PATENT GUM SPRING

Grain Drill.

We build this well Known Grain Drill now with or without guns, attachment, and the shovels in straight or zig zag rows, just as the farmer prefers. We now have also a new and improved plan of attaching the gum tubes, for which we have obtained Letters Patent, which with other improvements makes the Willoughby the most complete and perfect Drill manufactured in the country.

ALWAYS ON HAND

a full line of agricultural implements both of our own manufacture and from other establishments, including every useful machine needed by the farmer. We may enumerate Hay Rakes, old fashioned Threshers and Horse Powers, Corn Shellers, of which we have the celebrated Cumberland Valley Corn Sheller, Fodder Cutters, Cider Mills and other articles too numerous to specify.

Orders taken for all kinds of

IRON WORK

in our extensive Foundry and Machine Shops, and for BUILDING MATERIALS of every description in our Planing and Saw Factory. A full stock of well-seasoned LUMBER always on hand, enabling us to fill all orders promptly, at the lowest prices. Farmers, Builders and Manufacturers are invited to give us a call and see our facilities for turning out good work.

Hair Vigor,

For restoring Gray Hair to its natural Vitality and

A dressing is at once agreeable, healthy, and effectual for preserving the hair. *Faded or gray hair is soon restored to its original color with the gloss, and freshness of youth.* Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich glossy lustre and a grateful perfume.

THE GREAT AMERICAN HEALTHRESTORER, purifies the blood in Cures Scrofula, Syphilis, Skin Diseases, Rheumatism, Diseases of Women, and all Chronic Affections of the Blood, Liver and Kidneys. Recommended by the Medical Faculty and many thousands of our best citizens.

Read the testimony of Physicians and patients who have used Rosadalis; send for our Rosadalis Guide to Health Book, or Almanac for this year, which we publish for gratuitous distribution, it will give you much valuable information.

Dr. R. W. Carr, of Baltimore, says:

I take pleasure in recommending your Rosadalis. I have very powerful alterative, I have seen it used in Dropsies with happy results—one in a case of secondary syphilis, in which the patient pronounced himself cured after having taken five bottles of your medicine. The other is a case of scrofula of long standing, which is rapidly improving under its use, and the indications are that the patient will soon recover I have carefully examined the formula by which your Rosadalis is prepared and find it an excellent compound of alterative ingredients.

Dr. Sparks, of Nicholasville, Ky., says he has used Rosadalis in cases of scrofula and secondary syphilis with satisfactory results as a cleaner of the Blood I know no better remedy.

Samuel G. McFadden, Murfreesboro', Penn., says:

I have used seven bottles of Rosadalis, and am entirely cured of Rheumatism; send me four bottles, as I wish a supply for another, who has scrofulous sore eyes.

Ayer's Cathartic Pills,

For all the purposes of a Laxative.

Perhaps no one medicine is so universally required by everybody as a cathartic, nor was ever any before so universally adopted into use, in every country and among all classes, as this mild but efficient purgative *Pill*. The obvious reason is, that it is a more reliable and far more effectual remedy than any other. Those who have tried it know that it cured them; the cures they have done, and the good they have accomplished, are the best proof that it does always cure. We have *thousands upon thousands* of certificates of their remarkable cures of the following complaints, but such cures are known in every neighborhood, and we need not publish them. Adapted to all ages and conditions in all climates, containing neither calomel or any deleterious drug, they may be taken with safety by anybody. Their sugar coating renders them pleasant to take, and they are the cheapest pill that can be had, for their great virtues are known, that they cure the most obstinate disorders when any other pill or medicine can afford relief, or even aid nature in any quantity.

They operate by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and correcting, where they exist, such derangements as are the first origin of disease.

Minute directions are given in the wrapper on the box, for the following complaints, which these *Pills* speedily cure:—

For Dyspepsia or Indigestion, Listlessness, Languor and Loss of Appetite, they should be taken moderately to stimulate the stomach and restore it to healthy tone and action.

For Liver Complaint and its various symptoms, Bilious Disorders, Sick Headache, Jaundice or Green Sickness, Bilious Colic and Bilious Fevers, they should be judicious taken to correct the diseased action or remove the obstructions which cause it.

For Dysentery or Diarrhœa, but one mild dose is generally required.

For Rheumatism, Gout, Gravel, Palpitation of the Heart, Pain in the Side, Back and Loins, they should be continuously taken, as required to change the diseased action of the system. Such change three comfortable discharges.

For Erysipelas, Tropical Swellings, Boils, Carbuncles, Ringworms and Tetter, a few doses should be taken in all cases of the disease to purify the blood and restore healthy action to the system.

A few *Doses* will show the curative effect these *Pills* to produce on the stomach, bowels, liver and other organs of the system, restoring the appetite, curing the headache, relieving the patient from the stupefying effects of the dull, heavy, distressed feeling, and in short making them well, often made them so when they were sick, and healthy functions of the body restored, they will keep their owners in health, and by preventing disease, save many times their cost to the sufferer.

TO PHYSICIANS.

NEW YORK, August 4th, 1868.

Allow me to call your attention to my PREPARATION OF COMPOUND EXTRACT BUCHU The component parts are BUCHU, long leaf Cubebs, Juniper berries.

MODE OF PREPARATION.—Buchu, in vacuum Juniper Berries by distillation; to form a Gin. Cubebs extracted by displacement with spirits obtained from Juniper Berries; very little sugar is used, and a small proportion of pirit. It is more palatable than any now in use.

Buchu, as prepared by Druggists, is of a dark color. It is a plant that emits its fragrance; the action of flame destroys this (its active principle, leaving a dark and nauseous decoction.—Mine is the color of ingredients. The Buchu in my preparation predominates; the smallest quantity of the other ingredients are added, to prevent fermentation; upon inspection, it will be found not to be a Tincture, as made in Pharmacopœia, nor is it a Syrup—and therefore can be used in cases where fever or inflamation exist. In this, you have the knowledge of the ingredients and the mode of preparation.

Hoping that you will favor it with a trial, and that upon inspection it will meet with your approbation,

With a feeling of confidence,

I am, very respectfully,

H. T. HELMBOLD,

Chemist and Druggist of 16 Years Experience

(on the largest Manufacturing Chemists in the World.)

NOVEMBER 4, 1854.

HELMBOLD'S FLUID EXTRACT BUCHU, for weakness. The exhausted powers of Nature which are accompanied by so many alarming symptoms among which will be found, indisposition to Exertion, Loss of Memory, Wakefulness, Horror of Disease, Confusion of Ideas, Indecision, Universal Lassitude, Prostration, and inability to enter into the enjoyments of society.

The constitution, once affected with Organic Weakness, requires the aid of Medicine to strengthen and invigorate the system, which HELMBOLD'S EXTRACT BUCHU invariably does. If no treatment is submitted to, Consumption or insanity ensues.

HELMBOLD'S FLUID EXTRACT OF BUCHU in affections peculiar to Females, is unequalled by any other preparation, as in Chlorosis, or Retention, Prolapsus, or Suppression of Customary Evacuations, and all complaints incident to the sex, or the decline or change of life.

HELMBOLD'S FLUID EXTRACT BUCHU AND IMPROVED ROSE WASH will radically exterminate from the system diseases arising from habits of dissipation, at little expense, little or no change in diet, no inconvenience or exposure; completely superseding those unpleasant and dangerous remedies, Copaiva and Mercury, in all those diseases.

Use HELMBOLD'S FLUID EXTRACT BUCHU in all diseases of those organs, whether existing in male or female, from whatever cause originating, and no matter of how long standing. It is pleasant in taste and odor, "immediate" in action, and more strengthening than any of the preparations of Bark or Iron.

Those suffering from broken-down or delicate constitutions, procure the remedy at once.

The reader must be aware that, however slight, may be the attack of the above diseases, it is certain to affect the bodily health and mental powers.

All the above diseases require the aid of a Diuretic. HELMBOLD'S EXTRACT BUCHU is the purest Diuretic.

Sold by Druggists everywhere. Price—$1.25 per bottle, or 6 bottles for $6.50. Delivered to any address. Describe symptoms in all communications.

Hoofland's German Bitters,

A Bitters without Alcohol or Spirits of any kind,

Is different from all others. It is composed of the pure juices or vital principles of Roots, Herbs, and Barks (or as medicinally termed, extracts), the worthless or inert portions of the ingredients not being used. Therefore, in the bottle of this Bitters there is contained as much medicinal virtue as will be found in several gallons of ordinary mixtures. The Roots, &c., used in this Bitters are grown in Germany, their vital principles extracted in that country by a scientific Chemist and forwarded to the manufactory in this city, where they are compounded and bottled.
