The facts here given have been adduced rincipally on the part of the Commonwealth: and in justice to the prisoner it is well to remember that there are two sides to every case, an that in all preliminary investigations the mouth of the accused is closed. A Run-Away .- Dr. George S. Searight and Wm. A. Mullin were taking a drive, on Thursday evening last, behind the Doctor's fast nag, when the horse shied and tumbled Mr. Mullin-out. He had the lines in his hand when he fell, and consequently Dr. Searight was left with out any means of controlling the frightened animal. He used the persuasive powers of his voice, but to no effect. The orse ran out the Hanover turnpike, un til he ran into a team coming towards town, and was stonned. Dr. S. escaped without injury, and drove the horse back

to town. ES Mr. Samuel H. Gould has built handsome double frame house on the lot adjoining his residence, on West Pomfre street. There is a neat style about the building, which renders it an ornament to that section of the town.

BARN BURNED .- We learn that the barn on the farm belonging th the heirs of Henry Ewalt, of Silver Spring twp. was consumed by fire on Monday after noon, together with a quantity of corn, carriage, buggy, wagon, farming implements, and two calves. Loss about \$3,000, partly insured. The cause of the fire is unknown. With difficulty

A limited number of tickets, Godey.-The June number of Godey's Lady's Book opens with a beautiful stee plate engraving, entitled "Towing the Pacific road will take you to the land of gold Prize," followed by a six-figure colored fashion plate, containing walking dresses, evening dresses, &c; also, wood cut fashions and numerous designs for the

work department. POLICE ITEMS .- On Monday Adam Hane was arrested at the Poor House, by Constable Sanno, for stealing three coats, a hat and a pair of pantaloons from Mr. Horn, in Middlesex township. The clothing was found in his possession, and was identified by Mr. Horn. He was committed to prison by Justice Smith.

CHICKEN thieves are still about. A number of chickens were stolen from the premises of John Moore, on South Hanover street, a few days since, and on Monday night several were stolen from the hotel stand of Wilson Woods.

On Monday evening, a negro boy named Bell was arrested by High Constable Faller, for stealing a pistol from Albert Boas, and was committed to prison.

A brick fell from Col. Altick's chimney, in Shippensburg-which was being repaired-and severely injured a blind man named Samuel Sugars.

We call the attention of our readers to the following remarkable cure of Mr. C W. Ahl of Car isle, Pa., by the use of HOOFLAND'S GERMAN MEDICINES. His certificate is vouched for by he Editors of the Carlisle Volunteer, one of the nost influential newspapers in the State. Carlisle, Pa., December 2, 1870.

DR. C. M. EVANS,
attacked with Dyspepale. From that time until
the year 1801 I continued by year 1857 I was
attacked with Dyspepale. From that time until
the year 1801 I continued by wing worse, and
was educed from a trung and healthy man tomarce living skeleton, weighing but 119 pounds,
During those four years I had the attention of
the most celebrated physicians in New York,
Philadelphia and Baltimore. I also visited the
watering places, and tried every remedy I could
hear of for the cure of Dyspepsia, without experiencing any relief whatever, and I finally in
despair gave up all hope of being cured, and returned home with the feeling that death alone
could allowing my sufferings. In this extremity, at the urgent solicitat on of my wife, I began
the use of HOOFLA ND'S GERRIA BRITEIRS,"

After u ing four bottles of the Bitters, to my
surprise feet I was improving. My food tasted
well, and there was a very marked change for
the better. I continued the use of the Bitters
until I had taken sixuen buttles, and then, to
my inexpressible gradification I found myself
perfectly cured.
Since that happy termination of my affiction
I make this statement, voluntarily, and hunI make this statement, voluntarily, and hunand two pounds.

I make this statement volunitarily, and hundreds of the residents of the Cumberland Valley who knew my condition will vouch for it. I am satisfied I was toroughly and permanently cured by the use of HOOPLANDS GERMAN BITTERS, and I take especial pleasure in rec-

s and I take especial pleasure in rec-ing it to all who may be suffering from Dyspepsia.
• My position pecuniarily is so well known to Dyspepsia.

My position pecuniarily is so well known to elizens in Cartisle, and to numerous persons out of the borough, that I cannot be charged with making this statement for pay. My only motive is to inform all who may be suffering as I did of the wonderful cure performed in my case. I honestly believe; had it not been for 100 F-LAND'S GERMAN BITTERS, I would have gone to my grave long ago.

With the hope that I may be the means of bringing those attors to the notice of all who may be suffering as I did, I give this certificate Gratefully, Yours,
