A meeting of some of the citizens of Carlisle and vicinity, held on Wednesday evening, June 23rd, 1871, in the presence of...

THE DULL SEASON.—Many business men grumble at the dullness of the times, but such individuals should remember that the dull season for merchants is the busy season for farmers and laboring men.

There was a large picnic at Spring Green, which was attended by a number of our young people. The pleasure of the day was somewhat marred by a thunder storm.

THE YOUNG LADIES AND GENTLEMEN of the Organ Fund Association of the Second Presbyterian Church held a raspberry festival in the Court House on Thursday, Friday and Saturday evenings last.

THE JUNIOR EDITOR is deeply indebted to the ladies and gentlemen of the Organ Fund Association of the Second Presbyterian Church, and to many other kind friends, for a pair of neckties which were presented to him at the recent festival.

READ THIS TO YOUR DAUGHTER.—The character of a community depends much on the young women. If the latter are cultivated, intelligent, accomplished, the young men feel the requirement that they themselves should be upright, gentlemanly and refined.

LIEN LAW DECISION.—According to a late decision of the Supreme Court of Pennsylvania, a person furnishing space for an advertisement does not acquire a lien on the building.

THE PRESIDENT JUDGES throughout the State now receive a salary of \$5,000, as provided by the law which went into effect on the 1st of July.

REVENUE STAMPS.—The Internal Revenue Bureau will change all the stamps on or about August 1st, substituting two kinds, one called sensitive stamps, so that the use of such stamps will be made.

SELLING LIQUOR TO MINORS.—If there is a law upon our statute books which should be of a strong and binding character, it is that prohibiting liquor to persons of tender years.

REVENUE STAMPS.—The Internal Revenue Bureau will change all the stamps on or about August 1st, substituting two kinds, one called sensitive stamps, so that the use of such stamps will be made.

High School Exhibition.—The annual exhibition of the Boys' and Girls' High Schools of Carlisle, on Friday evening last, was the most interesting feature of this season of literary entertainment.

ALUMNI ASSOCIATION.—Pursuant to an invitation extended to the graduates of the Common Schools of Carlisle, by the Board of Directors, a large number of the invited met in Education Hall, on Wednesday, 28th ult., at 8 o'clock, A. M.

DR. C. M. EVANS. Dr. C. M. Evans. In the year 1857 I was attacked with Dyspepsia. From that time until the year 1860 I continued to suffer with it. It was reduced from a strong and healthy man to a weak and emaciated man. It has been my lot during those four years to have the attention of the most eminent physicians of Philadelphia and Baltimore. I also visited the most famous medical resorts in Europe, and returned home with no other benefit than a few bottles of medicine, which I used without any permanent benefit. I have now been cured by the use of HOOPER'S GREAT MEDICINES. I would have no hesitations in recommending them to all who are afflicted with Dyspepsia. My name is C. M. EVANS, of Philadelphia, Pa. With the hope that I may be the means of relieving others of their sufferings, I have no hesitations in publishing this certificate. G. W. A. HILL, Carlisle, Pa., December 2, 1870.

It has been my lot during those four years to have the attention of the most eminent physicians of Philadelphia and Baltimore. I also visited the most famous medical resorts in Europe, and returned home with no other benefit than a few bottles of medicine, which I used without any permanent benefit. I have now been cured by the use of HOOPER'S GREAT MEDICINES. I would have no hesitations in recommending them to all who are afflicted with Dyspepsia. My name is J. E. WOODRUFF, of Philadelphia, Pa. With the hope that I may be the means of relieving others of their sufferings, I have no hesitations in publishing this certificate. G. W. A. HILL
