A GREAT MEDICAL DISCOVERY

DR. WALKER'S CALIFORNIA

VINEGAR BITTERS

Hundreds of thousands bear testimony to their Wonderful Curative Effects.

WHAT ARE THEY?

THEY ARE NOT A VILE FANCY DRINK,

Made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors doctored, spiced and sweetened to please the taste; called "Tonic," "Invigorator," or "Restorers," &c., that lead the tempted on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the Great Blood Purifier and a Life Giving Principle a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to direction and remain long unwell, provided the bones are not destroyed by mineral poison or other means and the vital organs wasted beyond the point of repair.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. Such diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys and hundred other painful symptoms, are the offsprings of Dyspepsia.

They invigorate the Stomach and stimulate the torpid liver and bowels, which render them of unequaled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

Bilious, Remittent and Intermittent Fever, which are so prevalent in the valleys of our great Rivers throughout the United States, especially those of the Mississippi, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In these affections, there always more or less obstructions of the liver, a weakness and irritable state of the stomach, and great torpor of the bowels, being clogged up with vitiated accumulations. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. Walker's Vinegar Bitters, as they will speedily remove the diseased viscid matter with which the Bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs. The universal popularity of this valuable remedy in regions subject to miasmatic influences, is sufficient evidence of its power as a remedy in such cases.

For Skin Diseases, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, or whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effect.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feeling will tell you when, keep the blood pure, and the health of the system will follow.

Pin, Tape and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. For full directions, read carefully the circular around each bottle, printed in four languages—English, German, French and Spanish.

THE FIRE PROOF MICA LAMP CHIMNEY.—A kerosene lamp chimney that will not break from the effects of heat or cold.

Millions of families all over the country will hail with delight and satisfaction the introduction of this great blessing.

One hundred millions glass chimneys are broken annually in the United States. With many the cost of their chimneys is more than the cost of oil. The Mica Chimney costs but a trifle more than the ordinary glass chimney, and is taking their place wherever introduced. No more accidents or annoyances from broken chimneys need occur.

This is the only reliable lamp chimney ever produced. Millions of dollars will be saved by their introduction in this country. A trial will convince every one of the entire truth of this statement.

State rights can be secured from us. There is a fortune in each State right. Examine and satisfy yourself that this statement is not exaggerated. J. H. TENNENT & Co., Manufacturers and dealers in Oil, Lamp Goods and Matches, No. 226 Pearl Street, N. Y.

O

H. T. HELMBOLD'S EXTRACT BUCHU CURES DISEASES ARISING FROM IMPRUDENCES, HABITS OF DISSIPATION, etc

in all their stages, at little expense, little or no change in diet, no inconvenience, and no exposure. It causes a frequent desire, and gives strength to Urinate, thereby removing Obstructions, Preventing and Curing Strictures of the Urethra, Allaying Pain and Inflamation, so frequent in this class of diseases, and expelling all Poisonous matter.

Thousands who have been the victims of incompetent persons, and who have paid heavy fees to be cured in a short time, have found they have been deceived, and that the "Poison" has, by the use of "powerful astringents," been dried up in the system, to break out in a more aggravated form, and perhaps after Marriage.

Use HELMBOLD'S EXTRACT BUCHU for all Affections and Diseases of the Urinary Organs, whether existing in Male or Female, from whatever cause originating, and no matter of how long standing. Price, $1 50 per bottle.

New Machines for 1871.

Seeding, Reaping, Threshing.

THE CUMBERLAND VALLEY

Thresher and Separator.

We offer this new Thresher and Separator, (Cashe & Co's. Patent) to the farmers of Cumberland and adjoining counties as fully equal, if not superior to any machine now manufactured. It has the great advantage of being plain and simple in construction. It is a VERY RAPID THRESHER AND A PERFECT SEPARATOR AND CLEANER. In using it the farmer will be sure of making the most he possibly can out of his crop because it

Wastes No Grain,

but saves all that goes through the machine, and separates entirely the chaff from the straw. It is an easy running machine and will do its work thoroughly. This we guarantee. It is at the same time the cheapest machine in the market. The HORSE POWER which we furnish to run the Cumberland Valley Thresher is also new and entirely different in construction from what we have heretofore built, securing much greater power and speed, with lighter draft, so that four horses only will be required, where many other machines require six and eight horses.

The Cumberland Valley Thresher and Cleaner was tried on the grounds of the Cumberland County Agricultural Society at the Fair of 1870, a large crowd of farmers being present to witness its operation. The trial was completely successful and the machine proved its ability to thresh clean and separate grain in the most satisfactory manner. All who witnessed the trial expressed their approval in the warmest terms. The committee on agricultural implements, also gave the machine a special notice in their report, strongly recommending it. The Cumberland Valley Thresher and Separator, has also been recently used by Col. Wm. M. Henderson, at his farm near Carlisle, in threshing and cleaning a large crop. So fully is he satisfied of its great merits that he allows us to use his name as a reference. Farmers who wish further and fuller particulars as to the working qualities of this new machine are therefore respectfully referred to Col. Henderson, one of the most widely known farmers of Cumberland county.

The Cumberland Valley Thresher will always be well and substantially built, of the best material, solidly framed in every part, and presenting a handsome external appearance.—Price of machine, with 20 inch cylinder, $300 without wagon. A great advantage of this machine is that it can be readily repaired at any good shop without trouble.

THE WILLOUGHBY PATENT GUM SPRING

We build this well known Grain Drill now with or without guano attachment, and the shovels in straight or zig zag rows, just as the farmer prefers. We now have also, a new and improved plan of attaching the gum tubes, for which we have obtained Letters Patent, which with other improvements makes the Willoughby the most complete and perfect Drill manufactured in the country.
