FIRE AT HAGERSTOWN .- We take the following account of the recent fire in Hagerstown, from Twice a Week:-Most of our citizens had just retired to rest on Wednesday night, when, about 10 o'clock, the alarm of fire was given, first by one of the employees at the Washington County Depot. The fire was first discovered in the Warehouse of Messrs. Rollins & Burbank, dealers in Agricultural Implements, Fertillizers, &c. It was a frame building and the flames rapidly spread. The intense heat conductor on the third freight, met ignited the adjoining dwelling occupied by Mrs. Feehtig, but the fire was extinguished by the engines without serifatal results. The wind was blowing directly North, and the burning cinders were conveyed to the roof of the Episcopal Church, setting it on fire, the lames making such progress as to resist the energetic offorts of the firemen and citizens to rescue the edifice. Dear Sir: In the year 1857 I we attacked with Dyspopsia. From that time until the year 1861 I continued grawing worse, and was reduced from a strong and healthy man to a mere living skeleton, weighing but 119 pounds. Diright those four years, I had the attention of the most colemated bisystelians. In-Dew-Verley-Philadelphia and Rait more I also visited the watering places, and tried every rem dy I could hear of for the cure of Dyspepsia, with out experiencing any r lief whatever, and I mally in despair gave up all hope of being cured, and returned nome with the feeling that death alone could all-vinte my sufferings. In this extremity, at the urgent solicitation of my wife, hegan, the use of "Hopfands German Hiters," although with no more faith in its efficacy than I had in preparations previcusly tried.

After using four bottles of the Bitters, to my surprise I felt I was improving. My food taste well, and there was a very marked change for the better. I continued the use of the Bitters until I had taken sixteen bottles, and then, to my inexpressible gratification I found my self perfectly cured.

Since that happy termination of my affliction I have not bought fifty cents worth of medicine of any kind, and to-day a weigh two numbers and two pounds.
