Henry's school in the upper room of the Academy building at Centre-y ville, and it was without doubt, one of the most successful of examinations that I have ever seen held. By 11 o'clock the school room was crowded by the patron: of the district and other districts, a great many others were there from Dickinson, South Middle-ton, Newton and West Pennsboro' townships. The answers that the scholars made in physiology, philoso-vinced the audience that they were under the supervision of a good and efficient instructor. The reading classes, I dare say, cannot be excelled, all things being equal. The house was wreathed in a most beautiful manner, and the style and finish with which if he room was decorated, was admired 40 SOUTH THIRD ST. PHILADELPHIA. SCHOOL EXAMINATION .- On the years.
