This combines both economy and comfort thoroughly preventing drafts of cold air in winter and dust in sugmer. The price for stripping an entire house is more than saved during the winter by the economy of fuel; it taking at least one-third less fuel to produce the same warmth. It is made in walnut, oak and plain white, for both color and windows, so that it can be adapted to any house.

Our goods are bought in large quantities from the manufactures, and with the aid of our long experience, are selected with the utmost care and supervision, and we would invite all who wish to purchase the best goods at the lowest mash rates to patronize us.

Country merchants will certainly find it to heir advantage to call or write us for quotalous before purchasing.
