DR. RADWAY—I have had Oyarian Tumor in the ovaries and bowels. All the dectors said "there was no help for it." I tried overything that was recommended, but nothing helped me. I saw your Resolvent, and thought I would try, but had no faith in it, because I had suffered for twelve years. I took six bottles of the Resolvent, and one box of Radway Pills, and the bottles of your Ready Relief; and there is not aign of tumor to be seen or left, and I feel between, smarter and happier than I have for twelve years. The worst tumor was in the left side of the blowels, over the groin. I write this to you for the benefit of others. You can publish it If you choose.
