ATTENTION, EVERYBODY .- Col. Filler, editor of the Harrisburg Patriot, and H. G. Smith, of the Lancaster Intelligencer, will address the Greeley, Brown and Buckslew Club of Carliele, at the Court House, on to-morrow, (Friday)

evening. Turn out, one and all! The Greeley, Brown and Buckslew Club will be addressed by Wm. H. Miller, at the Club room, on Saturday eve-M. C. HERMAN, Pres't.

TWO WEEKS TO THE FIRST ELEC-Tion .- Democrats and Liberal Republicans of Cumberland county! there remains but two weeks to the first election. The great battle is raging flercely y everywhere over the land. The enemy is frantic, vehement, desperate! No efforts are being spared, no machinations however foul, unscrupulous and corrupt, are left unemployed, for the purthe people at the polls. What have you been doing in your localities to arrest the great torrent of iniquity? First of importance is thorough organization. Have you a club organized in each once, and organize a Greeley, Brown and Buckalew club, in each township school district and village in the county. The time is short. Two weeks from next Tuesday will bring us to the first election. Then forward, Democrats and Liberal Republicans, to the work.

The time is properly registered.

The position of the position, who were willing to withdraw in favor of Governor Curtin, in order to secure the weight of his talents and his personal influence in a re-organization of the fundamental law of the state.

Our County Ticket must be elected from top to bottom. There should be no "scratching" this year, for if we have another defeat of a portion of our County Ticket, the Radicals will begin to be of the opinion that they are gain ing ground in old Mother Cumberland. We lost several of our candidates last year, but that is no evidence that the Democrats of the county are in a minority. Two causes and two alone, contributed to the result—a lavish expenditure of greenbacks, and mean reachery. The leading men engaged in that treachery, who were active against our candidates for Judge, Senator and Prosecuting Attorney, and who could find it convenient and very pleasant to support rampant Radicals for these positions, now profess to be so ideas that they cannot support Mr. Greeley for President, who is the regu-Democratic National Convention! How convenient it is for those who are determined to be factious, to find an excuse for their course? We said, (in a former article,) that we desired a cordial feeling this fall, and that by gones should be permitted to be by gones, but we have no desire to see the true men of the party extending "amnesty" to those who are constantly in rebellion against some portion of the ticket. If they are against the ticket this fall as they were last fall, they are after mischief, and they should no longer be permitted to wear the lion's skin, for the ears of the ass will stick out.

A defeat of any portion of the county ticket this fall would be disastrous to our county organization, and must not be thought of for a moment. But, to secure victory beyond a doubt, every Democrat should be active, vigilent and zealous. Our candidates, too, let us tell them plainly, must go to work more earnestly. Heretofore, in this county, a nomination was regarded equivalent to an election. That idea must be discarded. The Radicals are electing a portion of their ticket. Let Ge the gentlemen, then, who compose the Democratic ticket, as well as all others, go to work at once, and if, by their exertions, they swell the majority for the ertions, they swell the majority for the It was Governor Noyes, of Ohio, who and Democrats should bear this con-

stantly in mind. SAMUEL M. WHERRY, Esq., of Southampton township, is our nominee as Delegate to the Constitutional convention. Mr. Wherry is an intelligent and highly educated gentleman, who has a thorough knowledge of what is required in the Constitution of the Commonwealth. The Convention did itself no little honor in the selection of Mr. W. as a candidate for this important position. The other Democratic nomineee from this Senatorial district is J. McDOWELL SHARPE, Esq., of Chambersburg, a man of great ability and worth, and one of the first lawyers

at the Franklin county bar. MUHLENBURG WILLIAMS, Esq., of Newville, was nominated triumphantly, on first ballot, for Assembly. He was our nominee last year, and was defeated by a few votes, owing to the activity of his opponents and the free distribution of greenbacks. He will bring to the performance of his duties a thorough knowledge of the routine of the office and all the details of its business. He is a sterling hard-working Democrat, and will give entire satisfaction to crat, and will give entire satisfaction to all who may have business in the Clerk's office

DAVID W. WORST, of Upper Allen, our candidate for Prothonotary, is gentleman of excellent capacity, and will make an attentive and trustworthy officer. The duties of this office are most important, and demand for their performance prudent, honest, upright men. Such a man is Mr. Worst, and

he fully "fills the bill" for the place. JOHN REEP, of Penn, the nominee for Register, is a hard-working me-ING will be held in CARLISLE, on chanic, poor, deserving and capable. He will fill this position with credit to himself and to the full satisfaction of the people. vote in that section.

For County Commissioner we have SAMUEL ERNST, of Frankford; for Director of the Poor, CHRISTIAN GLEIM, of Monroe; and for Auditor, GEORGE HEAGY, of Honewell. They are all good men, and men of capacity, and deserve and should receive

the full vote of the party. This is your ticket, Democrats of Cumberland county. Rally to its support. Give it as large a majority as you have promised our noble candidate for Governor, and in the glory that awaits the Democracy of Pennsylvania you will be entitled to your full share.

NOW IS THE TIME TO GET REGISTERED.

Hartranft at once discharged, while according to Hartranft's sworn statement

We are pleased to learn that the Democratic and Liberal Republican meetings are generally well attended, and successfully conducted. Wherever a failure was made in appointing a vigilance committee, it should be attended to at once, and the names reported to the chairman of the county committee. Each school district must have a committee man who will prepare a list of voters, and make arrangements to get every Democrat and Liberal Republican to the election. This business is the most important of the canvass, and MUST NOT BE NEGLECTED. Democrats will have to attend to it, as a duty, they owe themselves, their country and posterity. GOV. CURTIN'S POSITION!

Defined by Senator M'Clure! THE WAR GOV, REPUDIATES THE RING

Curtin was offered any position which his ambition could crave, within the gift of the government. All these of-fers and importunities were respectfully, but positively declined, Governor Curtin would have resigned his com-mission long before he did, had he not been earnestly appealed to to continue his mission. It was his early expres-sed determination to return home; and to direct all his earnest and vigilant efforts for the overthrow of the Grant

Had the liberal convention at Cincinnati tendered him a unanimous nomination for the presidency, he would have deferred to the wishes of the people, and accepted. The Louisville Convention. The Louisville Convention of yester-day was one of the features in American politics, upon which it is not possible for a patriot to look with complacency. That a single man here and there might be found fool enough to do just what his enemies wanted him to do, or that a few others might be found rogues enough to sell themselves for such a purpose, any one might expect; but that these fools and knaves should, in open day, meet in convention to display their folly and venality is what nobody in the country would have expected. No sensible man believes for a moment that such a movement if it succeed, will further the principles of the Demwill further the principles of the Demouratic party; and there is no rogue so stupid as not to know that it is intended to secure the election of Gen. Grant. to secure the election of Gen. Grant.

If these men are Democrats, what do they want? Do they want the Southern States free from the domination of carpet baggers and negroes? It so, why not vote for Greeley and Brown?

Do they want to prevent the general Government from swallowing up the States? If so, why not vote for Greeley and Brown?

Do they want civil service reform, that United States officers shall not be slaves of the party in power, then vote

Do they wish to limit the tenure the President to one term and tak from him the temptation to prostitute his high office to secure a second? I so, then vote for Greeley and Brown who are both pledged to one term as a cardinal principle of their platform.

If an honest man wants any or all of these things, and expects to achieve them through the medium of any other party than that supporting Greeley and Brown, he is simply an idiot, unfit for the proper performance of any political duty; and if there are any who, pretending, out of excessive zeal for Democratic principles, that they are obliged to repudiate the action of the Baltimore convention, they are infa mous—as infamous as the traitor who nous—as infamous as the traitor who emains in the citadel only to deliver it o the enemy.

Who can envy these miserable fel-

Fifteen Million!

The Geneva Arbitrators have finished their work, and, as far as Brother Johnsthan is concerned, we look upon it efforts for the overthrow of the Grant administration and the Cameron ring in Pennsylvania.

As regarded Governor Curtin's political aspirations, Colonel M'Clure stated that he would positively have declined the nomination of vice president either of Cincipnsti or Baltimore. Had the first by presenting a bill of billions, and the Washington treaty, the Joint High Commission, the Geneva arbitration the indirect claims bluff game, we must be content with Fifteen Millions of Dollars, scarcely one week's expense of the nation during the war! Shades of departed greatness, have we not degenerated? We are among those who placed a little confidence in those in power, and, from their braggadocia were of the opinion that not less than the dominion of Canada, the British East India possessions, Ireland and a part of Scotland thrown in, could by any possibility mollify us for the insult to our dignity. A special despatch from Pittsburg says that last night a bloody fight occurred between a colored Grant club and a white Greely club. The fighting. was of a desperate character, lasting not over ten minutes, but in that time one hundred shots were fired. Six negroes vere shot, but how badly was not asertained. One white man named John Sevell had his skull fractured by a stone, and will die. The blame of the affair s generally laid on the negroes, for, beyond question, they commenced the riot. TAX PAYERS REMEMBER!

That John F. Hartranft, Grant's candidate for Governor of this Commonwealth, has been Auditor General of the State for six years. During this time Geo. O. We have opposed and stim oppose, the election of Hartranit. We think the good name of Pennsylvania is at stake, and that Hartranit's defeat is demanded by public considerations. We do not believe his defeat would injure Gen. Grant a particle. We think it ought to strengthen Grant, because it would domonstrate the honesty of Republican voters. The moral effect of such a a result ought to be good everywhere, unless the whole people are insensible to the reputation of candidates. But we must say with reluctance that present appearances decidedly indicate Hartranits election. Voters are frightened by the idea that his endorsement is essential to Grant's success. The political sagacity was about to be fully established.
