APPLE cider may be preserved sweet and clear by adding to one barrel of cider a pound of mustard seed, two pounds of Brown and Buckalew Club was organraising and a quarter pound of stick | ized at Newville on Saturday evening candy.

THE Democrats and Liberals intend to fill up the "bloody chasm" by dumping rounding townships, which assembled into it the corrupt Grant administration.

WHEN a man has once acquired the reputation of being a liar, he will not be believed, even, when he speaks the truth. We know one man in Carlisle, who bears this character.

THERE may be a science of medicine but if anybody imagines we have found it out, he has only to attend a a first-class murder trial in which medical experts play a part, to recover from that delusion
