This combines both economy and comfor thoroughly preventing drafts of cold air in an er and dust in summer. The price for stripping an entire house is more than saved during it winter by the economy of fuci, it taking at least one-third less fuel to produce the same warman it is made in wainth, oak and plain willed, both color and windows, so that it can be adapted to any house.

Our goods are bought in large quantities from the manufactures, and with the aid of our long experience, are selected with the utmost cars and supervision, and we would invite all who wish to purchase the best goods at the lower cash rates to patronize us.

Country merchants will certainly find it to their advantage to call or write us for questions before purchasing.
