His audience was not very soriber says : " It is such kindnesses as these that bring tears to our eyes." large, THERE are two ways of going through THE horse epidemic which has been this world. One is to make the best of raging so fearfully in New York for it, and the other is to make the worst of weeks past, has assumed a worse state it. Those who take the latter course than ever seen before. The disease has all the peculiarities of dropsy. The work for poor pay. symptoms are swelling of the legs and THERE are now only four planets via ible to the naked eye, but if your eye is body; the horse dies in great pain. The dressed-in mourning-you can often see horse thus affected are those which have dressed-in mourning-you can often see been worked while sick with the epithousands of these little twinklers. demic. Those of our citizens who have Young gentlemen keep it up !--we horses that are sick with the disease mean courting, as it is pleasant sitting should take warning and not work then by the fire these long Winter evenings, before they are perfectly well. but only do not let stupidity get contro THAT pest of the wheat plant, the of your reason when you are hit hard. fly, is committing serious depredations An exchange says apple cider may be] in the wheat fields of Cumberland preserved sweet and clear by adding to County again this fall, large patches in one barrel of elder a pound of mustard some of the fields presenting as dead an seed, two pounds of raisins, and a quarappearance as though schorched by fire. ter of a pound of stick candy. That sown about the first ten days in Suptember appears to be the worst SQUIRRELS never were fatter or more plenty than they are this fall. Hunting affected by the insect. Another failure them furnishes rare and profitable sport of the crop would be a calamity for our just now. Rabbits are also unusually farmers, from which we hope they may be spared. Jatore.

house, would, in all probability, have been "minus" their breakfast on the following morning. Boys who go around the streets at night shooting off pistols might be engaged at some more profitable and less dangerous business. We understand measures are being taken to arrest and punish these violators of a borough ordinance. If a number of our youth flud a night's lodging in jail for the malicious mischlef that has been going on for some time past, they can blame only themselves. THE expenses of the Volunteer office are now almost \$50 a week. The necessary workmen, paper, ink, stationery, fuel, etc., required to carry on such an establishment, cost a large amount of money; and during the summer months, our receipts were not sufficient to meet these outlays. Our books show that small sums are due from a great many persons, making in the aggregate a large amount. We have bills failing due, and now call on all who are in arrears to remit without delay. ALAS I the poor animals I No sooner are the horses getting a little better than the pigs are threatened with an epidemic. The dogs, the cows, the cats, and all the rest of the quadrupeds will depend upon animals; and if we are also taught that all our domestic beasts require as much sanitary care as man does. Living in a half unnatural condition, and not allow any natural liberty of choice in their habits, and with only the poor protection of human cupidity against neglect and ill-treat-P. O. STAMPS .-- To convey some idea of the immense number of postage stamps used: In the space of three months, the National Bank Note Company made over 148,000,000 of all denominations, valued at over \$3,000,000. During the present year 520,000,000 January numbering 76,000,000. Thirty-eight and a half millions have been completed in a week, and 18,000,000 in a single day. Three times as many three centstamps are used as of all other denominations combined ; after them come the one-cent, and then the two and six cent. The last weekly return of the company showed a manufacture of over 14,000,000 finished stamps. LECTURE BY CHAPLAIN MCCABE .-This renowned western orator will lecture in Rheem's Hall, on the evening of the 29th inst. Subject-" Bright Side of Life in Libby Prison." Having been for months detained as a prisoner in Libby during the war, the chaptain has a fund of the most thrilling incidents, which he which those who have heard it say is something to be remembered for a life-

ceipt of numerous detentions and fail-ures in the transportation of the mails owing to the epizooty. In case of failure the pro rata cost of the trip is deducted & Co., Parkesburg, Chester County, Pa. IMPORTANT CHANGES .- The followng are the important changes made in the bankruptcy act: The time during which bankrupts may be discharged, upon payment of 50 per cent. of their indebtedness, is extended until July 1st, 1874. Life insurance policies to the amount of five thousand dollars are exempt from assets available for creditor, and all judgements against person and property before petitions are filled, are to be first and fully satisfied. It also allows all exemption allowed by any State law on the 1st of January, 1871.-It also exempts a widow's dower or other estates in lieu thereof, if the State law so provides. ATTEMPTED ESCAPE .-- On Tuesday afhave been completed, those made in | caused the plece to go off, the contents of the army as a private in the three month service, and after the expiration of his time, he was chosen Captain of a company in the 87th Regiment, Peen's. Vol. and afterwards was elected Colonel o the 166th Regiment of Penn'a. Vols. After the war President Johnson appointed him Assessor of Internal Revenue of thi has wrought into an eloquent lecture, district, but after serving for some time the Senate failed to confirm his appointment, when Henry Welsh, Esq., his
