MEETING OF SHAREHOLDERS, COOPER INSTITUTE, } August , 1872.

The meeting was called to order by John A. Lefferts, the Manager. After making his statement of the financial condition of the enterprise he asked for a Committee of Investigation. It was then, on motion,

Resolved, That a committee of three be appointed with power to act for the shareholders. The following named gentlemen were then elected such Committee: Messrs. George R. Sprague, John H. Many, W. H. Whitman.

We, the undersigned, have examined the accounts of Mr. Lefferts, and find his statements correct, and we do hereby allow him until the 1st of January, 1873, to sell the remaining shares at which time the books shall positively be closed, or sooner, if the shares are sold. And we hereby appoint the 10th day of January, 1873, for the final distribution of the property.

GEO. H. SPRAGUE, JOHN H. MANY, W. H. WHITMAN,

To those desiring to invest we can say that the owners of the property fully indorse the action of the Committee, and we give our renewed assurance that no industry shall be wanting to push the enterprise to an early completion, and we have made such extensive and complete arrangements as will insure the sale of the remaining shares much in advance probably of the day fixed by the Committee.

The hour and place of meeting will be given through the public press, at least TEN DAY in advance, thus affording ample time for all to be present in person or by proxy.

The "Real and Persona Property," with the Cash Fund, is divided into

WISHART'S PINE TREE

Tar Cordial!

Nature's Great Remedy!

— FOR THE —

Throat and Lungs.

It is gratifying to us to inform the public that Dr. L. Q. C. Wishart's Pine Tree Tar Cordial, for Throat and Lung Diseases, has gaining an envial reputation from the Atlantic to the Pacific coast, and from thence to some of the first families of Europe, not through the press alone, but by persons throughout the States actually benefited and cured at his office. While he publishes less, so say our reporters, he is unable to supply the demand. It gains and holds its reputation—

First. Not by stopping cough, but by loosening and assisting nature to throw off the unhealthy matter collected about the throat and bronchial tubes, *which causes irritation.*

Second. It removes the cause of irritation (which produces cough) of the mucous membrane and bronchial tubes, assists the lungs to act and throw off the unhealthy secretions, and purifies the blood.

Third. It is free from squills, lobella, ipecac and opium, of which most throat and lung remedies are composed, which allay cough only, and disorganize the stomach. It has a soothing effect on the stomach, acts on the liver and kidneys, and lymphatic and nervous regions, thus reaching to every part of the system, and in its invigorating and purifying effects it has gained a reputation which it must hold above all others in the market.

NOTICE.
