DIAOND SPECTACLES!

These Speciacies are manufactured from MINUTE CRYSTAL PERBLES melted together, and are called DI-MOND on account of their hardness and brilliancy.

It is well known that speciacies cut from Bruzzilan or Scotch pebbles are very injurious to the eye, because of their polarizing light. Having been tested with the polariscope, the diamond lenses have been loved to admit ifteen per cent, less heated rays than any other pebble. pebble.
They are ground with great scientific accuracy, are free from chromatic aberrations, and produce a brightness and distinctness of vision not before attained in speciacies, F. C. KHAMER, CARLISIE, F.A. Manufactured by the Speucer Optical Manufacturing Comp'y. NEW YORK.

FARMERS' BANK SAVINGS Open every day from 9 A. M. to 3 P. M.

DEPOSITS RECEIVED OF ANY SUM FROM 25 CENTS RATE OF INTEREST FIVE PER CENT.

By a resolution of the Board of Directors it is hereby announced that on and and after February 1st, a Savings Find Department will be opened in connection with the Farmers' Bank. The Savings Find is designed to meet a want tong felt in the community, by which the industrious and those of small means can save a portions and those of small means can save a portion of their weekly earnings, and as sums as town as Scents will be received every one can become a depositor.

It is a great mistake to suppose that smill sums are not words saving. By the habit of saving in little matters riches are acquired, and as every one may become depositors, let them come with small amounts; and cents will soon become deliars, and continually increase. Let none walt lill they have something worth wille, something respectable, before they begin to save; a baginning is the great point to be achieved.

The attention of parents is called to this Saving reaching them the advantages of the habit of saving.

Demositors are not obliged to continue their

for their children, of oximatogs of the liabit of saving.

Depositors are not obliged to continue their deposits longer than they may choose to do so, but may withdraw the whole or such part at an time their time sails tilder own convenience.

Mancy deposited on or before the first day of dimury, April, July, and October will begin to draw interest on those days, and will be paid seminanually, on the first days of Juniary, and if uncalled for will be added to the principal and draw interest the same as the original deposit.

The Bank is intended as a place of safety for keeping money as well as to encourage savings by all classes.

For further particulars and circulars inquire at Farmers Bank.

Medical. WISHART'S PINE TREE

Tar Cordial

Nature's Great Remedy!

- FOR THE -Throat and Lungs.

io sup by the domand. It gains and house its reputation—
First. Not by stopping cough, but by loosening and assisting inture to throw off, the unhealthy matter collected about the throat and brone-half tubes, which causes irritation.

scond It removes the cause of irritation (which produces cough) of the mucous memorane and bronchial tubes, assists the lungs to act and throw off the undeatthy secretions, and purifies the blood.

Third. It is free "rom squills, lobelia, ipecae and optum, of which most throat and lung remedles are composed, which allay cough only, and disorganize the stomach. It has a southing effect on the stomach acts on the liver and kidurys, and lymphatic and nervous regions, thus reaching to every part of the system, and in its Invigorating and parifying effects it has gained a reputation which it must hold above all others in the market.

NOTICE.

A RESISTLESS REMEDY. Holloways Ointment. CIRCULAR TO THE SICK.

The first hospital surree us and medical publicles of Europe, almit the unparalleled unlinfiamoniory and itsuling properties of this clintinent; governments sanction its use in their maxel and military services; and the masses in this country and throughout the country and throughout the country and throughout the unmost confidence in its curative properties. It penetrates the sources of inflammation and corruption which underlie the external evidences of disease, and neutralize the fory elements which feed and exasperate the malady. RHEUMATISM, SCROFULA, ERY-SIPELAS.

These are among the most terrible and agon-izing diseases of the muscles, the fleshy fibre and the skin; yet in their worst forms, and when seemingly incurable they invariably dis-appear under a perseceing application of this southing, ficuling, antidote to pain and inflam-mation. SALT RHEUM, FEVER SORES, STIFF JOINTS. In Cases of Salt Rheum, where medical wa-ness, tottons, and every recipe of the sharmago-ness have proved useless, the Continent will ac-tion lish a thorough cure, Fover Sores head quickly under its influence, and its relaxing ef-fect upon contracted shows is truly w indurful

DISCHARGING ULCERS. A most remarkable and happy change is pro-qued in the appearance of malignant ulers a siter a few applications of this Olument. The surrounding ridness vanishes, and granulas of healthy first begin to take the place of the dis-charged matter. This process goes on more or less rapidly, until the orifice is filled up with sound material, and the ulcer radically cired. A WORD TO MOTHERS.

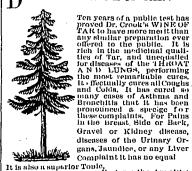

The poung are the most frequent sufferers from external injuries, and therefore every mother should have this healing preparation consumity at hand. It is an absolute specific for sore breasts, and quickly removes the encrusted sores which sometimes disfigure the heads and faces of children. SIGNIFICANT FACTS. This Clintinent is universally used on board the Atlantic add Pacific whalling fleet as a corresponding of the transitions, and as the best possibly remedy for wounds and bruises. Large supplie of it have recently been ordered by the Sultar of Turkey for hospital purposes. Both the Ointment and Pills should be unions Mercurial Eruptions
