Medical.

Vinegar Bitters are not a vile Fancy Drink, made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors, doctored, spiced, and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin but are a true Medicine, made from the native roots and herbs of California, free from all Alcoholic Stimulants. They are the Great Blood Purifier and a Life-giving Principle, a Perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition, enriching it, refreshing and invigorating both mind and body. They are easy of administration, prompt in their action, certain in their results, safe and reliable in all forms of disease.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the power of repair.

Dyspepsia or Indigestion. Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. In these complaints it has no equal, and one bottle will prove a better guarantee of its merits than a lengthy advertisement.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that a marked improvement is soon perceptible.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

They are a Gentle Purgative as well as a Tonic, possessing also the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver and Visceral Organs, and in all Bilious Diseases.

For Skin Diseases, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

Grateful thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. Says a distinguished physiologist: There is scarcely an individual upon the face of the earth whose body is exempt from the presence of worms. It is not upon the healthy elements of the body that worms exist, but upon the diseased humors and slimy deposits that breed these living monsters of death. No system of Medicine, no vermifuges, no anthelmintics, will free the system from worms like the Bitters.

Mechanical Diseases. Persons engaged in Painting and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life are subject to paralysis of the Bowels. To guard against this take a dose of WALKER'S VINEGAR BITTERS occasionally.

Bilious, Remittent, and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, James, Roanoke, and many others, with their vast tributaries throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by derangements of the stomach and digestive organs. There are always more or less of the liver, a weakness and irritable state of the stomach, and great torpor of the bowels, clogged up with vitiated accumulations. In the first stage of these diseases, exciting a powerful influence over the various organs, is eventually necessary, and there is no remedy for the purpose equal to Dr. J. WALKER'S VINEGAR BITTERS, as they will speedily restore the morbid matter with which the blood is charged, at the same time stimulating the secretions, and finally restoring the health to the diseased organs.

Scrofula, or King's Evil, White Swellings, Ulcerous Enlargements of the Glands, Goiter, Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Scald-Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors, and Diseases of the Skin, or whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

Fever Sores, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Scald-Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

Dr. Walker's California Vinegar Bitters act on all these cases in a similar manner. They purify the Blood they remove the cause, and by restoring the effects of the inflammation (the tubercles) the affected parts receive health, and a permanent cure is effected.

The properties of DR. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic and Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Sudorific, Alterative, and Anti-Bilious.

The Aperient and mild Laxative properties of DR. WALKER'S VINEGAR BITTERS are combined in all cases of emptions and many cases of obstruction, and will speedily remove Constipation, Flatulency, Inward Piles, Fullness of Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fulness or Weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Heart, Choking or Suffocating Sensations when in a lying posture, Dimness of Vision, Dots or Webs before the Sight, Fever and Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Chest, Limbs, and Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of Evil, and great Depression of Spirits, can all be effectually cured by the use of these Bitters.

Fortify the body against disease by purifying it with VINEGAR BITTERS. No epidemic can prevail where they are used freely, for they expel the seeds of disease, the kidneys, liver and digestive organs are the great sentinels of the system, and need only to be kept in order by the occasional use of this purifier.

Directions. Take of the Bitters on an empty stomach, each day, a wineglassful; shake well before using; and drink moderately of tea or coffee, beef, mutton, and vegetables. Flannels should be worn by persons exposed to dampness or cold. The Bitters are composed of pure Vegetable Extracts, and contain no spirit.

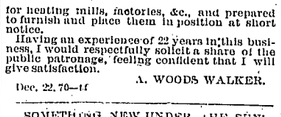
Spectacles.

DIAOND SPECTACLES!



These Spectacles are manufactured from MINUTE CRYSTAL PEBBLES melted together, and are called DIAMOND on account of their hardness and brilliancy.

It is well known that spectacles cut from Brazilian or Scotch pebbles are very injurious to the eye, because of their polarizing light.

Having been tested with the polariscope, the diamond lenses have been found to admit fifteen per cent. less heated rays than any other pebble.

They are ground with great scientific accuracy, are free from chromatic aberrations, and produce a brightness and distinctness of vision not before attained in spectacles. F. C. KRAMER, CARLISLE, Pa.

FARMERS' BANK SAVINGS FUND.

Open every day from 9 A. M. to 3 P. M.

DEPOSITS RECEIVED OF ANY SUM FROM 25 CENTS UPWARD.

RATE OF INTEREST FIVE PER CENT.

By a resolution of the Board of Directors it is hereby announced that on and and after February 1st, a Savings Fund Department will be opened in connection with the Farmers' Bank, Carlisle.

This Savings Fund is designed to meet a want long felt in the community, by which the industrious and those of small means can save a portion of their weekly earnings, and as sums as low as 25 cents will be received every one can become a depositor.

It is a great mistake to suppose that *small sums are not worth saving.* By the *habit* of saving in little matters riches are acquired, and as every one may become depositors, let them come in small amounts; and cents will soon become dollars, and continually increase. Let none wait till they have *something worth while,* something *respectable,* before they *begin* to save; a beginning is the great point to be achieved.

The attention of parents is called to this Savings Fund, as they may here accumulate a fund for their children, or by making them depositors forming them the advantages of the habit of saving.

Depositors are not obliged to continue their deposits longer than they may choose to do so, but may withdraw the whole or such part at any time it may suit their own convenience.

WISHART'S PINE TREE

Tar Cordial!

Nature's Great Remedy!

—FOR THE—

Throat and Lungs.

It is gratifying to us to inform the public that Dr. L. Q. C. Wishart's Pine Tree Tar Cordial, for Throat and Lung Diseases, has gaining an envial reputation from the Atlantic to the Pacific coast, and from thence to some of the first families of Europe, not through the press alone, but by persons throughout the States actually benefitted and cured at his office. While he publishes less, so say our reporters, he is unable to supply the demand. It gains and holds its reputation—

First. Not by stopping cough, but by loosening and assisting nature to throw off the unhealthy matter collected about the throat and bronchial tubes, *which causes irritation.*

Second. It removes the cause of irritation (which produces cough) of the mucous membrane and bronchial tubes, assists the lungs to act and throw off the unhealthy secretions, and purifies the blood.

Third. It is free from squills, lobelia, ipecac and opium, of which most throat and lung remedies are composed, which allay cough only, and disorganize the stomach. It has a soothing effect on the stomach acts on the liver and kidneys, and lymphatic and nervous regions, thus reaching to every part of the system, and in its invigorating and purifying effects it has gained a reputation which it must hold above all others in the market.

THE Medicine of the Million!

PHILOSOPHY AND FACT.

HOLLOWAY'S PILLS!

The Exciting Cause of Sickness.

The blood is the life sustaining agent. It furnishes the components of flesh, bone, muscle, nerve and integument. The stomach is its manufactory, the veins its distributors, and the intestines the channel through which the waste matter rejected in its productions is expelled. Upon the stomach, the circulation and the bowels, these pills act simultaneously, allowing in digestion, purifying the fluids, and regulating the excretions.

The National Complaint.

Dyspepsia is the most common disease among all classes in this country. It causes a thousand shapes, and is the primary source of innumerable dangerous maladies; but whatever its type or symptoms, however obstinate its resistance to ordinary preparations, it yields readily and rapidly to this searching and unerring remedy.

Bilious Affections.

The quantity and quality of the bile are of vital importance to health. Upon the liver, the gland which secretes this fluid, these pills operate specially, infallibly relieving its irregularities, and effectually curing Jaundice, Bilious Remittants, and all the varieties of disease generated by an unnatural condition of the organ.

Bowel Complaints.

Unless the bowels perform their functions properly, the whole body suffers. Tens of thousands die annually of Dysentery, Diarrhœa, Chronic Constipation, and other diseases of these waste pipes of the system. The effect of the Pills upon all intestinal disorders, whether casual or epidemic, is a phenomenon in medicine. By following the printed directions, the most alarming cases of bowel complaints are promptly controlled.

A Word to Females.

The local debility and irregularities which are especial annoyances of the weaker sex, and which, when neglected, always shorten life, are relieved for the time being, and prevented for the time to come, by a course of this mild but thorough alterative.

Holloway's Pills are the best remedy known in the world for the following diseases:
