First. Not by stopping cough, but by looseningand assisting antire to throw off the unhealthy matter collected about the throat and
bronchild tubes, which, causes tritation,

Second. It removes the cause of irritation
(which produces cough) of the mucous membrane and bronchild tubes, assists the lungs to
act and throw off the unhealthy secretions, and
purifies the blood.

Third. It is free from squills, lobella, pecae
and opium, of which most throat and lung remcities are composed, which allay cough only,
and disorganize the stomach. It has a soothing
effect on the stomach acts on the liver and
kidneys, and lymphatic and nervous regions,
thus reaching to every part of the system, and
in its invigorating and parifying effects it has
gained a reputation which it must hold above

Dec 19 1872—19—00 W SHOES AND HATS RATE OF INTEREST FIVE PER CENT. I conscientiously believe that your Piano is in every respect a most magnificent Instrumen By a resolution of the Hoard of Directors it is hereby announced that on and and after February Ist, a Savings Fund Department will be opened in connection with the Farmers' Bank, Carlisle.

This Savings Fund is designed to meet a want long felt in the community, by which the industrious and those of small means can save a portion of their weekly carlinist, and as sums as low as 25 cents will be received every one can become a deposition.

It is a givent intended to suppose that small small are not work saving. By the habit of saving in little matters riches are acquired, and as every one may become deposition, let them come with small amounts; and centis will soon become with small amounts; and cents will soon become with small amounts; and cents will soon become with small amounts; and cents will soon become doffurs, and continuity increase. Let none wait till they have something worth while, something respectable, before they begin to save; a The attention present significant to be achieved. The attention of press is earlied to this Savings Fund, as they have in each with the saving.

Depositors are not obliged to continue their deposits longer than they may choose to do so, but may withdraw the whole or such part at any time it may suit their own convenience.

Money deposited on or before the first day of January, April, July, and October will begin to draw interest on those days, and will be paid semilaminally, on the first days of January and July, and If uncalled for will be added to the principal and draw interest the same as the original deposit.

The Bank is intended as a place of safety for keeping money as well as to encourage savings by the contents of particulars and eleculars inquire Farmers' Bank.
