Holloway's Pills. The Exciting Cause of Sickness.

The blood is the life sustaining agent. It furnishes the components of flesh, bone, muscle, nerve and integument. The stomacn is this manufactory, the veins its distributors, and the intestines the channel through which the waste matter rejected in its productions is expelled-upon the stomach, the circuitation and the bowels, those Prils act simultaneously, refleving in digestion, purifying the fluids, and regulatin the exerctions: The National Complaint.

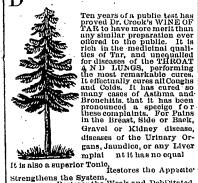

Bilious Affections. The quantity and quality of the bile are of vital importance to health. Upon the liver, the gland which secretes this fluid, these pills operate specifically, infallibly rectifying its irregularities, and effectually curing Jaundice, Billious Remittante, and all the varieties of disease generated by an unnatural couldition of the organ. Bowel Complaints.

Unless the bowels perform their functions properly, the whole body suffers. Tons of thousands die annually of Dysentery, Diarrhees, Chropic Constipation, and other diseases of these waste pipes of the system. The effect of the Pills upon all intestinal disorders, whether causual or epidemic, is a phenomenon in medicine. By willowing the printed directions, the most alarming cases of bowel complaints are promptly controlled. A Word to Females. The local debility and frequiarities which are special annoyances of the weaker sex, and which, when neglected, always shorten life, are relieved for the time being, and prevented for the time to come, by a course of this mild but thorough alterative.
