GREAT IMPROVEMENT IN

DAGUERREOTYPING.

VAN LOAN & CO.,

No. 118 Chestnut street, Philadelphia,

HAVE by recent discoveries in their art, enabled themselves to take pictures at all times with great certainty—as well in stormy as in clear weather—which are justly pronounced by artists and scientific men, UNRIVALLED, for depth of tone and softness of light and shade. By working these alone they not only produce pictures which are

GOOD AND CHEAP!!

but by far the best and cheapest which can be produced at any other establishment. The charge for pictures in handsome improved cases, runs from

ONE DOLLAR

to three dollars, depending on the size of the picture, being scarcely one half the prices charged at other establishments, for pictures of equal size—but of inferior quality. Their GALLERY of Portraits, consisting of some hundreds, embraces a collection of DISTINGUISHED AMERICANS" worthy the attention of visitors to their rooms, which are OPEN AT ALL TIMES.

The collection which they had exposed in the exhibition of the Franklin Institute, was constantly surrounded by dense crowds of admirers, who were loud in their praise of the artist's skill.

To guard against every possibility of mistakes they guarantee every picture to be of the best materials, and unless it is entirely satisfactory to the customer no charge will be made.

☞ When visiting the city call at their rooms, whether you wish a Daguerreotype or not. The admission is free, and you will be pleased with your visit. Don't forget the number 118 Chestnut a few doors below Fourth.

THE GREAT SECRET DISCOVERED.

THE BLESSING OF THE AGE.

THE undersigned, Botanic Physician, takes the liberty to speak a few words to the afflicted, and particularly to those who are laboring under Chronic Diseases, such as Cancers, Polypus, Scrofula or Kings Evil, White Swelling, Tetter, Salt Rheum, Erysipelas, Tumors and Lumps, Worm, Running Sores, Sore Legs of every description, Mercurial Affections, Piles, Fistula, Rickets, Womb Diseases of every description, and that dreadful disease Salt Rheum. These diseases, and those of a like nature, have been cured, and are still daily cured, to the great surprise of others, simply with

HERB MEDICINES,

collected from the garden of Nature. He invites all, who have not yet called on him and experienced his great skill, on liberal terms, to come, as he will be able to give general satisfaction. He will enter into positive agreement with patients, (which is his general rule,) that if he does not perform a cure, no charge will be made. But, remember, his terms and agreements will be strictly adhered to

His wonderful success is too well known to the public for the last three years, to need any puffing; all he asks, is, to give it a fair trial, therefore he only gives the assurance, hoping that it will satisfy all those persons who have not made a trial of his treatment.

☞ The great secret of his success is, that he uses nothing that will injure the weakest constitution, for instead of Forcing Nature, he will give such Medicines as will assist her in throwing off disease.

Those who are unable to call personally, will be visited, if required, at any distance. All letters post-paid and directed to the undersigned, Wrightsville Post-Office, York county, Pa., will be answered by return of mail.

EXTRACT OF "AMERICAN OIL."

WHERBVER the original unadulterated American Oil, as issued from the "bosom of the earth," has been introduced as a medicine; nothing recommendatory of it need be said. The many thousands of cures, which it, in the unrefined state, has performed in almost every disease, speaks for it, what has been spoken for no other remedy extant.

This extract has about four times the strength of the original Oil, in the same quantity: hence it operates with redoubled force and energy, in purifying the system of all morbid taints, and giving tone, strength and vigor to all the organs of life.

Pamphlets can be had from R. WILLIAMS, giving a more detailed account of this most valuable medicine, who is the only authorized wholesale and retail agent for Columbia.

DR. LEIDY'S SARSAPARILLA BLOOD PILLS.

READ! READ!

OUTRAGE, FRAUD AND IMPOSITION!!

THE public have been deceived, by pills called by names nearly similar to Dr. Leidy's Sarsaparilla Blood Pills; beware of all such that are manufactured to be sold on the reputation of Dr. Leidy's only genuine, original and first Sarsaparilla Blood Pills ever made or introduced, and the only Pills known to contain Sarsaparilla. BE NOT PERSUADED that other Sarsaparilla Blood Pills are the same as Dr. Leidy's; Sarsaparilla Blood Pills are the same as Dr. Leidy's; for there are many worthless Pills peddled and hawked about the country that are bought and sold at any prices, manufactured by imposters, who do not advertise them, but through the trick in calling them by names nearly similar to Dr. Leidy's, expect to sell them through Dr. Leidy's advertisements, and thus deceive and impose upon the public.

EXAMINE THE BOXES,

and let it be remembered that Dr. Leidy's Sarsaparilla Blood Pills are put up in oval wood boxes, entirely surrounded with labels engraved by a bank note engraver of Philadelphia.

Remember, the top or lid of the box has upon it an engraved portrait or likeness of Dr. N. B. Leidy, with ornamental work; the bottom has upon it his signature surrounded with medallion work; around the sides a yellow label with medallion and other work upon it; the most expensive labels, and difficult to counterfeit, in the United States.

500,000 BOXES

have been sold annually for the last five years.

YOUNG & OLD, MALE & FEMALE,

can always take them with equal safety, without fear.

IF PILLS BE NECESSARY

for purging and cleansing the Stomach and Bowels, and purifying the Blood and fluids of the body, take no others—for no other pills produce those combined effects, or contain Sarsaparilla in them.

EAT, DRINK AND LIVE AS USUAL,

and pursue your usual occupation whilst taking them, without fear of taking cold, during all kinds of weather.

ONE THOUSAND DOLLARS

are wagered that more genuine certificates can be produced of their efficacy than of any others, and

TEN DOLLARS

will be forfeited in every instance where One Box will not do more good than Two Boxes of any others.

FORTY PILLS ARE IN A BOX, and sold at TWENTY-FIVE Cents a Box, with directions and much wholesome advice accompanying each box.

They have no taste or unpleasant smell,
Free from dust or powder of any kind,
Do not gripe the Stomach or Bowels,
Produce no sickness, vomiting or bad feelings,
They are good at ALL times.
