Holloway's Pills are specially adapted to the relief of the weak, the nervous, the delicate, and the infirm, of all climes, ages, sexes, and constitutions. Professor Holloway personally superintends the manufacture of his medicines in the United States, and offers them to a free and enlighten-ed people, as the best remedy the world ever

-Nearly half the human race have taken these Pills. It has been proved in all parts of the world, that nothing has been found equal to world, that nothing has been found equalities them in cases of disorders of the liver, dyspepties and stomach complaints generally. They soon give a healthy tone to these organs, how-ever much deranged, and when all other means GENERAL DEBILITY, ILL HEALTH.

Many of the most despotic Governments have opened their Custom Houses to the introduction of these Pills, that they may become the medicine of the masses. Learned Colleges admit that this medicine is the best remedy ever known for persons of delicate health, or where the system has been impaired, az its invigorating properties never fail to afford relief.

FEMALE COMPLAINTS .-- No Female, young or old, should be without this celebrated medicine. It corrects and regulates the monthly courses at all periods, acting in many cases like a charm. It is also the best and safest medicine that can be given to children of all ages, and for any complaint; consequently no family should be without it. Holloway's Pills are the Best Remedy Knows

THE undersigned takes pleasure in stating 1. to the public that he still continues taking those LIFE-LISE DAGUERRECTYPES, which can be testified to by thousands that had their daguerreptypes taken in his room since alse year 1251, that he has ample experience, the most central location, the best ditted up place. (a siting room expressly for the ladica) and the best and largest side-light in the city of Lancaster, which he had expressly put up for the business. at a heavy expense, to enable him to take pictures in cloudy as well as in clear weather and avoid all those unnutural shades for blackness under the nose, chin, &c. that are generally produced by sky-light or small side-light. He has also procured a large instrument, which enables him to take pictures from the largest down to the smallest, and give perfect satisfaction, which accounts for the place being daily crowded with those smiling faces,

For Love is Heaven, and Heaven is Love."
So sang the Bard; yet thousands pine
For love—of life the light divine—
Who, did they know some genute charm,
The hearts of those they love to warm,
Might live, might die, in bliss supreme,
Possessing all of which they dream.
The road to wedlock would you know?
Delay unet, but to Rospoer go.
Time files, and from his gloomy wings
A shadow falls on living things;
Then seize the moments as they pass,
Ere fall the last sands through the glass;
At least the present is your own,
While all the future is unknown.

Messra. Evans & Watson, No. 29 South Fourth sl., Philiadelphia.

GENTLEMEN—We take pleasure in recommending your shalansander Safes to Merchants and others in want of a secure means of preserving their books, papers, &c., from fire, as the one we purchased from you shout seven months since has preserved our books, papers, and cash in as good a condition as they were when put into it, before the great fire of this morning, which destroyed the entire block of buildings, corner of thesmut and Fifth streets. The above safe was in use in our office, on the second floor of our building, from which place it fell into the cellar, and remained there until the fire was-out. The safe was then removed and opened in the presence of st least 1 1000 persons, who witnessed the good condition of the contents. Will you please to have the Safe and Locks repaired, as we intend to pat it in use again, having perfect confidence in its fire-proof qualities.

Yours, Respectfully.
