It teaches you the kind of wife to select to render hour huppy. It gives advice to the lover who has been once truly accepted, and is rejected alterward through the interfe-rence of friends. It gives a remedy for unrequited love. It gives you instructions for beautifying the person. How to have a handsome face and hunds. How to remove that and freekles. A Lecture on Love, or a Private Advice to Married Ladies and Gentlemen. This is decidedly the most fascinating, interesting and really useful practical work on Courtship, Mattimony, and the duites and delights of Married Lafe, that has ev-er been issued from the American press. The artificial social system, which in 80 many instances prevents a union of hearts, and sacrifices to conventionalism the happiness and even the lives of thousands of the young and hogeful of both seres, is thoroughly analysed and exposed. Fivery one who contemplates marriage, and whiles for an infulfible guide in the selection of a par-ner for life, should purchase this great text book of con-nubial feicity.
