fire in Ranstead Place, on the morning of the statingstant.

When we reflect that these Sules were located in the fourth story of the building we occupied, and that they fell subsequently into a heap of burning ruins, where the vast concentration of heat caused the brass plate-to melt, we cannot but regard the preservation of the valuable contents as most convucing proof of the great security afforded by your Safes.

We shall take much pleasure in recommending them to men of business as a sure reliance against fire.

community, both is town and country, and its consequent success, may be ascribed, in part, to the following substantial reasons:

Ist. It offers a convenient, responsible, and profitable depository to 'Executors, Administrators, Assignees, Collectors, Agents, and all public officers whether incorporated or otherwise—to married or disciple ladica—to Students, Merchants, Clerks, and business man generally—to Mechanics, Farmers, Mingo of cither sex, and all who have finds, much or stille, to deposit, where they may be had at any time with five per cent interest added.

3d. Depositors receive books, with an abstract of the By-Laws and regulations, in which is entered their deposits, which books serve as wouchers. They may designate, in case of sickness, death, or absence, who shall receive their deposits; without the intervention of Executors of Administrators. Any one or more persons may deposit in his, her, or their name, or for any other person or persons.

3d. A Report is made each year to the Legislature and Councils of the City.

4th. The officers are sworn before they enter upon their duties, in addition to giving boxds with suretics.

5th. The State Savings Fund is a real Savings Fund

Check Books will be target charge.

The popular patronage bestowed upon this effect by a proverbially cautious and discriminating community, and where the character of the institution is best known, is a gratifying fact to which the Trustees desire to call attention.

GREAT IMPROVEMENT IN ARTIFICIAL TEETH. IIE subscriber would respectfully announce to his patrons and the public that, having purchased a right to use Dr. Slayton's Patent Colored Gutta Percha, he is prepared to furthish Sets of Teeth with this material in a monner far superior to anything now in use. The advantages are the ability of making a more perfect fit, and a more that ability of making a more perfect fit, and a more that ral and beautiful job; and the material is vastly more congenital and more pleasant to be worn in the mouth than either gold or silver.

All who wish to try the Gutta Percha Teeth can have a set put in, and if they do not render perfect satisfaction I will take them back and put in a set on gold or silver plate, without any charge for the trouble. Please give me a call, examine specimens of tils really beautiful invention, and give in a trial.
