June 21, 1826-4m **TORMIC'S WONY'T DO! TIEX** never did do more than give temporary relief and they never will. It is bacause they don't touch the GAUSE of the disease. The GAUSE of all ague and bluous diseases is the atmospheric poison yils NATURAL ANTIDOTE, and all disease caused by it disappears at ouce. Rhodes' Fever and Ague Cure is this Antidote to Malaria, and moreover it is a perfectly harmless medicine. The cettificate of the celebrated chemist J. R. Chilton, of New York, to this effect, is attached to every bottle; therefore if it does no good it can do no harm. This is more than can be said of Quinine, Arsenic, or any tonic in existence, as their use is ruinous to the consultation on the said of Quinine, Arsenic, never allows wperson to feel perfectly well for a sin-gle moment.
